Central Tilba Public School

Term 4, Week 8
WEDNESDAY
NOVEMBER 28th, 2012

Dear Parents and Students,

Congratulations to the Primary Class for their behaviour, effort and attitude on our excursion last week. Being away for three days can be very tiring, but each child can be proud of the way they involved themselves in the many activities, their manners and the positive way in which they represented their school. It was nice to catch up with the Infants Class on Friday at Mogo Zoo, where we all had an enjoyable and educational day.

On behalf of all the parents and children, I would like to thank Denise Williamson for coming to Mogo with us for the three days. Denise was wonderful in the way in which she supported and cared for the children during the excursion. As for me, I got a really good night's sleep on Friday night! Thank you also to the parents who participated in the Working Bee over the weekend. Our outdoor learning area is beginning to take shape and it will be a great addition for our school.

Next Tuesday, our Kindergarten students for 2013 will be here for an orientation morning. They will come again the following Tuesday to get them ready for 'big school'.

Our next Whole School Assembly is set down for Friday of next week, December 7th. This will be our last Whole School Assembly for the year and items will be presented by the K-2 class. It will be preceded by a P&C meeting.

A reminder that tonight at school there will be an Extraordinary Meeting of the P&C to consider its Constitution. If you would like to attend, the meeting begins at 5.45pm.

Regards

John Carter, Principal

'TOILET TACTICS'

Over the next few weeks, Infants Class children will be involved in activities from the 'Toilet Tactics' program, which is produced by the Australian Government Department of Health & Aging under the National Continence Program.

The aim of 'Toilet Tactics' is to raise awareness of healthy bladder and bowel habits, because this is important for overall health and wellbeing.

I encourage you to discuss these matters at home so as to consolidate your child's learning and investigate any concerns they may have.

Laura McHarg, Infants Class Teacher

PRESENTATION NIGHT
TUESDAY
DECEMBER 18TH
BIG HALL

THE BALLAD OF OLD MOGO TOWN

Our 2012 Excursion (With apologies to any respectable poets)

Then off to bed and settle down
For a quiet night of sleep,
The girls were really noisy
But the boys barely made a peep!

Mr C, he doesn't sleep
He was there when we settled
down,
And when we woke up early next
day
He was already up and around.

To Mogo Town our class we went
To find our share of gold,
We were hoping for some sunny days
But the weather started out cold.

We bussed on up to our place of stay
And left our luggage there,
Then off to little Mogo School
Fun times we were to share.

We munched our recess, then we played
With friends that we'd just met,
Or did some art or played oz tag
It was good fun, you bet!

All too soon we said goodbye
And then we headed back,
To the village of Old Mogo Town
Where we had a very quick snack.

Rod our friend, he met us there
And told us how to build
Ancient gunyah shelters
We thought we were so skilled!

Free time for all, we raced around
Hyacki and kicking the ball,
Till we had a cabin inspection
Then tea time was the call.

Down to the Digger's Rest Tavern
Where tea was ready made,
Schnitzels, jelly and ice cream
But they forgot to send the maid!

So after we had all cleaned up
And Rod came back to play
His didge and tell some stories
That scared us (or so they say!)

We walked our way to brekky
Where we'd been the night before,
Then off we went to find some gold
We wanted more! more! more!

We all found a bit of gold
But not really quite enough,
Then we looked around the mining
town
At lots of interesting stuff.

It's really quite amazing
How our pioneers survived,
In such rough and ready houses
Unfortunately many died.

We tried our hand at dominoes
It was an old parlour game,
Keira was the best at quitoes
She put us all to shame!

Lunch and then off to school
Where the teacher gave the cane,
We got to make some damper
This excursion was insane!!

And then we tried the souvenir shop
Where we spent some hard earned cash,
Then we walked to the ice-creamery
We got there in a flash.

We made it back in time to see
Charli put into the stocks,
Then lots of others had their turn
Because there were no locks!

Back to decorate the hall
For an amazing night bush stomp,
Everyone learnt many new steps
It was such a funny romp!

Then off to bed for the second night
The girls this time were quick,
To start the evening's snoring
They really were quite sick!!!

And so we got to the final day
Of an enjoyable, fun filled trip,
The morning was cool and sunny
In the air was a bit of a nip.

But soon the sun was shining bright
And off we went to pan,
For more fortunes for us all
For every child and man.

But no! So we all packed up
And headed for the zoo,
With Mr Markham's noisy class
Who had come to join us too!

Animals, animals everywhere
Too many for us to see,
Meerkats, tigers, giraffes and deer
No wonder this place wasn't free!

We fed the deer with scratchy tongues
As cute as cotton socks,
We found the funny siamangs
And we sat upon the rocks.

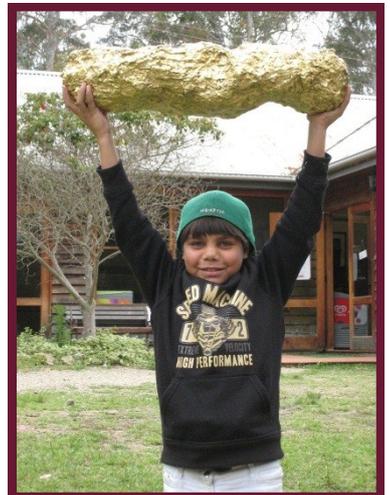

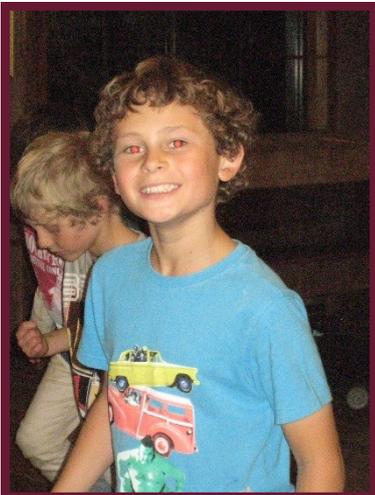

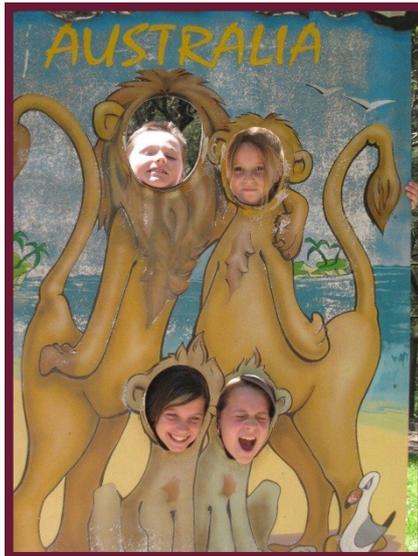

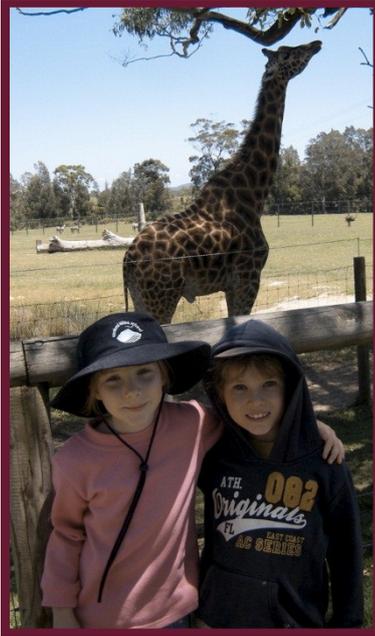

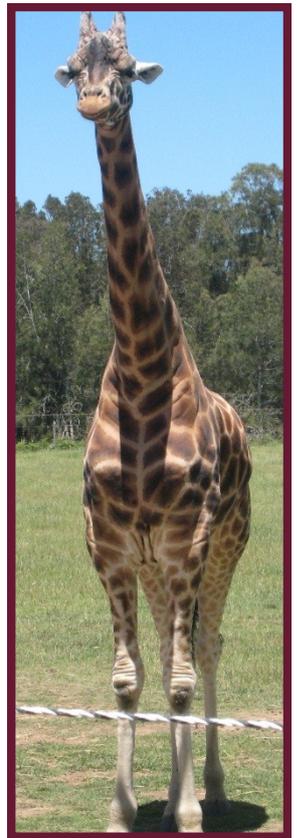

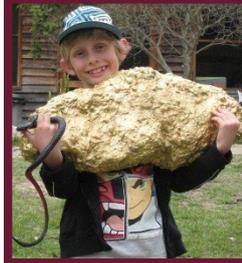

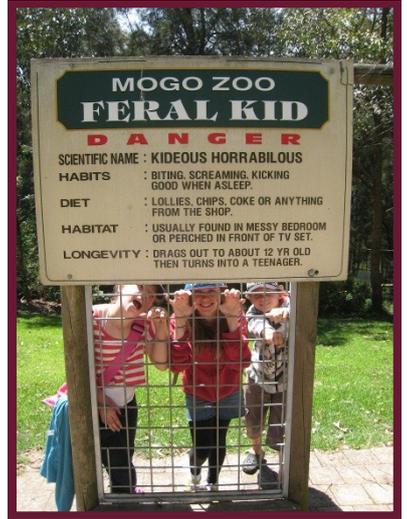

Suddenly there was a fuss
As a duck ventured too near,
Nature quickly took its course
Of that you have no fear!

Lunch, souvenirs, then on our way
Heading back to school,
The weather had become quite hot
But the excursion was so cool!

We'd like to thank dear Denise
For giving up her time,
To look after us at Mogo Town
You're really quite divine!

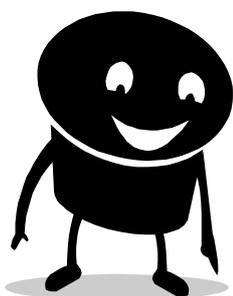

Another year, another trip
We like our time away,
Next year it might be Berry
Let's hope, hip hip hooray!
