Central Tilba Public School

Term 4, Week 10
THURSDAY
December 12th, 2013

Dear Parents and Students

Two performances of "Imaginations" down, one to go! Yesterday's shows were tremendous; the children excelled in the effort they put into each performance. It was great to see the culmination of a term's work by the children as they danced, sang and acted their way into everyone's hearts.

The final show will take place tomorrow (Friday) night, beginning at 7.00pm. All children are to be at the hall by 6.15pm at the latest. If you haven't seen the show yet, don't miss this last opportunity!

Today your child will be bringing home their End of Year Report. These reports show the progress of your child during the second semester of this year. They are the result of many hours of assessments and thought by the teachers. Please read your child's report carefully with your child and be sure to praise the positive aspects of their work. Should there be any negatives, discuss them and plan for the future. Overall, most children have worked well and consistently during the year.

Should you feel you need to see your Class Teacher, please contact the office immediately for an interview.

In regard to absences on the report, you will notice two numbers. The first number relates to absences this semester, the second to the year. The average number of absences in NSW government schools is approximately 12 each year. If your child's second number is considerably higher than this, and they have not had serious illness during the year, please try in 2014 to lower the number of absences your child has from school.

Next Monday night sees our Annual Presentation Evening in the Big Hall at Central Tilba. Children will be required to attend the hall during the day to practise their items. There is a permission note in this newsletter to allow them to go to the hall on Monday. All children and parents are asked to be at the hall by 5.45pm on Monday. Children should be dressed in their (best!) school uniform.

On Tuesday and Wednesday, children may come to school out of uniform. Year Six students who wish to have their school shirts signed by other students should bring them separately. There will be a range of activities on Tuesday including a DVD and water fun activities (water slide). Should children wish to participate in the water activities, they will need to bring their swimmers, towels, rash vest or tee shirt and a plastic bag to take their wet gear home.

On Wednesday we will head off to Magic Mountain for our school picnic. The information and permission note about this day is included in the newsletter.

We hope to publish a final newsletter next Tuesday. It has been a busy but rewarding term and year but thank you to everyone who has helped make it special.

See you on Friday night!

Regards

John Carter - Principal

MAGIC MOUNTAIN WHOLE SCHOOL EXCURSION
LAST DAY OF SCHOOL - WEDNESDAY, DECEMBER 18TH, 2013

INFORMATION

PLEASE READ CAREFULLY

On Wednesday, December 18th, the whole school will be going to Magic Mountain for an end of year picnic. The Year 6 children, who have been making milkshakes for the last two terms, have raised enough money to pay for the bus (thank you Year 6!) and the cost has been further reduced for students due to the efforts of the parents who have organised our Special Lunch Days this year (thank you to those parents!).

The cost for each school child from our school is \$10 (which is very cheap) and includes all rides and activities in the park.

There are several water activities at Magic Mountain. These are ONLY available to children in Years 3-6 and only if parents have signed the appropriate permission note. Children in K/1/2 will **NOT** be allowed to take part in water activities.

Parents are welcome to come along in their own vehicles and some may be able to travel down and back on the bus with us. We have approximately 17 spare seats on the bus if you would like to come. Please contact Linda if you would like to do this (first come, first served basis). Seats on the bus are \$5 each. Entry into the park is free, but to go on rides/activities costs are: Single ticket \$7, 4 tickets \$25, U4 free with paying adult, 4-11yrs unlimited rides \$32, 12yrs+ unlimited rides \$39. Unfortunately the school cannot subsidise these costs and payment should be made when you get there.

We will be leaving the school at 9.15am SHARP and hope to be back by 4.10pm. We have organised the normal **school buses to run one hour later** for this day only. If this is unsuitable for any parent, please contact the school.

On this day students will be permitted to come out of uniform, but **NO** skimpy tops or short shorts. They will need to bring **hats and sunscreen as well as all their food and drink for the day**. Any **Primary** students wishing to go on water activities will need to bring **swimmers and a towel (and plastic bag for wet items)**. They will **NOT** be allowed to take part unless they have a **rash vest or t-shirt to protect them from the sun**.

*As there is a lot to organise, permission and money **MUST** be returned to the school by*
TOMORROW Friday, December 13th at the latest!

Please contact Linda if you have any queries.
