Dear Parents and Students,

And so our school year draws to an end! It has been a year filled with achievement which was celebrated in style last night at our Presentation Evening. Thank you to all who came to make it the wonderful evening that it was. A list of all our prize winners is included in this Newsletter.

I have also included a list of our ex-students who have achieved so well this year at Narooma High School.

I would like to reinforce my thanks to all mentioned last night - if I inadvertently missed anyone I apologise. So many people do so much to make our school the way it is.

On behalf of the staff I wish everyone best wishes during the holiday break and hope that it is a time when you get to do the things you have been wanting to do and be with the people you want to be with.

As for me, it will be a chance to catch up with much loved children who are currently scattered near and far, do some maintenance jobs around the house, spend lots of time at the beach and improve my swimming!

School resumes for staff on Wednesday, January 27th, and for students on Thursday, January 28th. The first big event of the year follows almost immediately, the Primary Class swimming carnival in Narooma on Monday, February 1st.

Take care and ...

MERRY CHRISTMAS.
