## Central Tilba Public School

Term 3, Week 5  
**WEDNESDAY**  
August 12th, 2015

Dear Parents and Students,

Last Friday's Whole School Assembly was a fantastic event! It was great to see so many parents and the music played by the Primary Class was a credit to the students and Mrs Hankinson. Congratulations to all who received awards.

Part of our School Plan involves exploring new ways to use technology to assist and improve learning for our students. At Broulee Public School this Thursday and Friday, a conference entitled 'Building Digital Schools' will be launched by our State Member, Mr Andrew Constance. Mrs McHarg and I will be in attendance for both days to gain as much information as we can, which will then drive our planning over the next three years as to technology in our school.

Mrs McHarg's class will be taught by Mrs Cooke while Mr Markham will teach the Primary Class in our absence. Mr Markham will also teach my class this afternoon (Wednesday) as I am required to attend a local Community of Schools Meeting at Bermagui Public School.

The children are keen to have a night time disco this term. To that end, the date set is Thursday, September 10th, commencing at 6.00pm in Mrs McHarg's room. There are a variety of dress-up themes to choose from (the children found it hard to make a decision!) - movie character, animal or wild west. Children can also choose to come without dressing

up. More news of this event will occur as the event draws closer.

Our School Environment Group would like to hold another meeting to look at our Management Plan for the year. The date suggested is Wednesday, August 19th, at 3.15pm. Hopefully we can set a timeline for the suggested activities to be completed this year.

Years 3 and 5 NAPLAN results will be sent home next week.

Our Numeracy information in today's newsletter focuses on Year Three.

Have a good week.

Regards,

John Carter, Principal

VOLUNTARY SCHOOL CONTRIBUTIONS (SCHOOL FEES) – *This has been set by the P&C at \$40/student or \$70/family for the year.* This is extremely low compared to other local primary schools. We ask that all parents consider paying this small cost towards their child's education if they can. Please send in your contribution with the form below.

STUDENT ACCIDENT INSURANCE – *The cost is \$10 per student.* The P&C has already paid for ALL students in the school to be covered and ask that parents consider reimbursing the P&C this small cost for having their primary student children covered for accidents. *We ask that you send in the \$10 per student as soon as possible.* If you can't afford the whole \$10 per student, any contribution you can afford would be great. Please send in with the form below. Please don't forget to let the school know if your child has any kind of injury covered by the benefits payable so that we can send a claim home for you to complete (even if you haven't paid the insurance). *Please note this is a '24/7' cover, NOT just school hours or events.* Enclosed is \$10.00 per student (or part thereof).
