Central Tilba Public School

Term 3, Week 6
WEDNESDAY
August 19th, 2015

Dear Parents and Students,

Good luck to our relay team (Zayd, Billy, Chase and Jack) who compete in the Regional Athletics Carnival at Bruce Stadium in the ACT this Friday. We know they will do their very best and represent our school proudly.

The National Assessment Program for Literacy and Numeracy (NAPLAN) results were released to the school this week. These tests were completed in May by students in Years Three and Five in the areas of Reading, Persuasive Writing, Language Conventions (Spelling, Grammar and Punctuation) and Numeracy. This information has been sent home with those students today.

The results for Central Tilba Public School were very pleasing with every student achieving minimum standard and school averages for each area being above the national average. Should any parents wish to discuss their child's results, please contact me at school.

Welcome to the school to Zachary (Zac) in Kinder, who started this week. I hope Zac enjoys his time as a student at our school. We now have forty students at Central Tilba Public School.

Welcome also to Mrs Kirrily Hillier to our school. Mrs Hillier is training to be a teacher and will be working with myself and Mr Markham in the Primary Class until the end of term. Mrs Hillier will commence her 'block' tomorrow (Thursday).

On Thursday and Friday of last week Mrs McHarg and I attended Broulee Public School to learn more about 'Building Digital Schools' and how to more effectively use technology to assist our students to learn in the 21st century. We came back with many ideas that we want to try in our classrooms. We both felt it to be a very beneficial two days.

This week's Mathematics article focuses on Year Four.
Have a good week!

Regards,

John Carter, Principal

MESSAGE FROM OUR P&C PRESIDENT

- MEGAN -

Hello Everyone,

Thank you to all parents and staff who attended the last P&C meeting, it was greatly supported and many items on the agenda discussed

One item was the working Bee for the Outdoor Learning Area (OLA) and Nature Trail THIS SUNDAY the 23rd! Yes, it is here already and with the show of hands from those that could attend, it should be a busy one. We will be focussing on the OLA, the Nature Trail, mainly mulching and the vegie patch if we have enough people power.

So if you have a couple of hours any time after 9.30am you could volunteer, it would greatly appreciated. Please bring a shovel, gardening gloves and sense of humour ... it is Sunday morning ... and play/dig in the beautiful surroundings of our children's school.

Thanks all, Megan

Parents & Students

Please return all your outstanding library books this week.
