Central Tilba Public School

Term 3, Week 7
WEDNESDAY
August 26th, 2015

Dear Parents and Students,

Last Friday our Small Schools Relay Team of Billy, Zayd, Jack and Chase travelled to Canberra to compete in the South Coast Championships. They ran very well with good baton changes and finished second behind Gunning Public School. This tremendous effort qualifies them to compete in the State Championships in Sydney early next term. Congratulations to these runners and thank you to the parents who transported them to Canberra.

Thank you also to the parents who volunteered their time on Sunday in the working bee around the playground. Their efforts are always greatly appreciated by the staff and students.

Included in this week's Newsletter are the Minutes from our School Environmental Management Committee's Meeting which was held last week. One of the programs involves the gradual planting of an orchard near our outdoor learning area. To this end, we would like to hold a Mufti Day on Friday, September 4th, with a gold coin donation to come out of uniform in a red or green theme (the colour of apple trees or grape vines!). With money raised, the first tree will be planted.

We will also be holding a School Disco towards the end of term – Thursday, September 10th, from 6 to 8 pm. The children voted for a multi themed evening – 'Wild West', 'Movie Character', 'Animal' or come

'normal'. More information will be forthcoming in the next two weeks.

This Thursday (tomorrow) we will be visited by the Taronga Zoo Zoomobile and the Bournda Environmental Education Program. If you have not already sent in the permission note and cost for this event

(\$5.50), please do so to enable your child to experience a very special time with some of our native animals.

On Friday of this week I am required to attend a meeting of Far South Coast Principals in Narooma. Mr Markham will teach the Primary Class in my absence.

The mathematics information this week focuses on Year Five.

Regards ... John Carter, Principal

Hello Everyone,

Thank You to all the parents, children and Layla and Riley's Grandma, Lois, who gave up their Sunday time to help at the working bee. It was a great success!

With great back breaking strength parents dug in a new water pipe from the water tank to the vegie patch. Thanks to Pat for sourcing the materials for the job.

Other Green Thumbs, did a great job mulching the nature trail.

The children had a wonderful time enthusiastically pulling out the 'mothers of millions', exposing the ancient monzonite granite rocks. Well done Little green thumbs!

We were able to walk the nature trail and talk about further ideas to make it more accessible and beautiful ... yes it's possible! The school environment is so stunning with a magical natural backdrop and it is so great to see it grow and change with our supportive P&C group.

Well done everyone! Thanks again,

Megan (our P&C President)

Parents & Students

Please return all your outstanding library books this week.

Don't forget to send in your Student Banking every week.

VOLUNTARY SCHOOL CONTRIBUTIONS (SCHOOL FEES) – *This has been set by the P&C at \$40/student or \$70/family for the year.* This is extremely low compared to other local primary schools. We ask that all parents consider paying this small cost towards their child's education if they can. Please send in your contribution with the form below.

STUDENT ACCIDENT INSURANCE – *The cost is \$10 per student.* The P&C has already paid for ALL students in the school to be covered and ask that parents consider reimbursing the P&C this small cost for having their primary student children covered for accidents. *We ask that you send in the \$10 per student as soon as possible.* If you can't afford the whole \$10 per student, any contribution you can afford would be great. Please send in with the form below. Please don't forget to let the school know if your child has any kind of injury covered by the benefits payable so that we can send a claim home for you to complete (even if you haven't paid the insurance). *Please note this is a '24/7' cover, NOT just school hours or events.* Enclosed is \$10.00 per student (or part thereof).

P&C MEMBERSHIP – The P&C ask all families to become members of our P&C Association. It is not necessary to attend any or all meetings, although we hope that as many parents as possible will try and support the P&C at their meetings, but by paying the small membership subscription of only \$5.00 per family, per year, you ARE supporting the P&C. Unless P&C subscriptions have been paid, you are not able to vote on any issues that arise at meetings or at the AGM. *This donation helps to pay for our affiliation fees with the Federation of P&C's and Public Liability insurances and P&C Workers' insurance; this amounted to over \$400 last year.*
