Central Tilba Public School

Term 4, Week 6
WEDNESDAY
November 15th, 2017

Dear Parents, Carers and Students,

This week years 3-6 are in Berry at the Sports and Recreation Centre, I am hoping to send through some photos but if I am unable they will be in next week's newsletter. We will be leaving Berry on Wednesday 15th, around 12:15 pm to get back to Central Tilba before the buses depart at the end of the day. If you are interested in the facilities you can see them at the below website:

<https://sportandrecreation.nsw.gov.au/sportandrecreation/facilities/berry>

Last Thursday we had a visit from EnvironMentors, I was very impressed with our children's knowledge of recycling, landfill and where product packaging originates, in the natural environment.

It was reassuring that so many students minds went to solution focused thinking, I am sure they will all play a positive part in creating an Earth friendly future. Abby who is a Marine Scientist and EnvironMentor was inspiring, we were fortunate to have her come and share her knowledge with us.

We are all very proud of our students who came Third in the Eurobodalla Learning Communities Chess Competition last Friday.

Well done, Harry, Isiah, Luke and Jack De.

And this Thursday and Friday, I will be in Batemans Bay at the

Principal Network meetings. These meetings run informative and important workshops around teaching and management, it is also important for principals to liaise and share school practices as we all seek to grow and improve our students' outcomes and opportunities.

Regards, Danielle McGrath, Relieving Principal

Years 4/5/6 Class This Week

100 Word Challenge

Last week we reached out across the globe and made a connection with a year 6 class in Lancashire, England. The purpose is to develop global connections while reflecting on what makes great writing. We had some great feedback from students at St Barnabas Church of England Primary Academy and we gave some compliments and constructive comments also. Last week's prompt was another picture prompt.

Halloween Fright!

By Archie on Nov 9, 2017

Where was I? What happened to me? This must be a dream, it couldn't be true. Wait what's the date. I checked my phone, it's the thirty-first of October, so it, it, it's Halloween! RUN! Everywhere I go there are monsters, vampires, werewolves, ghosts and witches. I run at every place there is no place to hide from these monsters. I'm traumatised. I don't think I'll ever forget this, never, never ever will I forget this moment. I keep on running until I find my house. Phew I'll be fine here I press the doorbell and I hear a scream!

Sleepy Pooch News: Ghost Sightings!

By Harry on Nov 6, 2017

Today, a haunting image has surfaced that appears to show ghosts! Is this a supernatural sighting or a halloween hoax? The paranormal entities have been sighted at shops all around the world. Those shops have seen an amazingly fast decline in, well, **EXISTENCE!** As if the disappearing shops weren't enough, top Paranormal Investigator Extraordinaire (PIE) Mark Kram had this to say: "Now, you can't trust anyone, as the ghosts can blend in to be anyone, even your best friend... or yourself... wait! Are you a ghost? Am I a ghost? Are we all ghosts? Ahhhhhhhhhh!"
Are we either completely doomed or utterly fooled? Only time will tell.

Term 4 Week 5

Decision making steps

What do you have to decide about?

What choices do you have?

Weigh up the pros and cons of each option and choose the best one.

Put your choice into action and then check how it works out.

Helping children take responsibility

Children often focus on immediate wants and don't consider long-term consequences. They need adult guidance to develop their decision-making skills. Parents and carers can prompt good decision-making by identifying appropriate choices for children to make and using questions to help them think through the steps.

To learn to use decision-making skills children need to be shown how to use the steps and be given opportunities to practise them. Practice and experience are necessary for building skills.

It is important to remember that children's thinking skills develop gradually and so does their capacity for planning ahead and weighing up options in order to make decisions. Children do not learn to make good decisions overnight. They need to start with simple things.

Week 5

Learning Continuum - Statistics and Probability (Numeracy)

Please note that the information presented in this Newsletter is of a general nature. For specific information related to your child, it is recommended you speak with your child's teacher.

By the end of Year Two, a child should be able to:

Pose questions and collect categorical data

- * Create data displays using lists, tables and picture graphs (one to one correspondence) and interpret them
- * Identify practical activities and everyday events that involve chance
- * Describe events as 'likely' or 'unlikely'
- * Distinguish between 'possible' and 'impossible' events
- * Identify some events as 'certain' or 'impossible'

Students With Dollarmite Accounts - *Don't forget your School Banking*
Bring your Bank Deposit Books in any day.
Bank books are again going to the bank every Monday

Kindergarten Orientation 2018

Thursday, November 23rd

Thursday, November 30th

9.15am - 12.30pm

Everyone at Central Tilba School is looking forward to meeting our new Kinder students for 2018.

PLEASE ADVISE THE SCHOOL IF YOU AND YOUR CHILD WILL BE ATTENDING OR IF YOU WILL NOT BE ATTENDING.

If you know of anyone in the area who is interested in starting their child at Central Tilba Public School next year, please ask them to contact the school as soon as possible. This will enable us to make decisions regarding our classes for 2018.

New Kinder students will need to bring along:

- a hat
- a piece of fruit or vegetable for fruit time
- a healthy lunch and
- a water bottle

What we'll be doing:

During the morning sessions we will be do some singing and dancing as well as a craft activity. We will go for a walk around the school and play some outdoor games. The children will get a chance to play with the resources in the classroom as well as in the sandpit. We'll read some stories and the current K123 class will get to know their new classmates.

On the first Kinder Orientation day, Kim will distribute the School Information Kit. This includes our School Information Booklet, school enrolment form, bus transport and subsidy information for online

registration, uniform order form, as well as other information relevant to students starting school next year. **The P&C will be available on the 2nd Orientation Day if parents would like to purchase school uniforms.** If you have any questions please don't hesitate to ask. We're looking forward to seeing you -

Kara Munn.

A Book Club brochure is attached to this newsletter.

Please return your order with payment by Thursday, November 30th.

If you want to start getting some Christmas presents together and don't want the children to know, just let Kim know and she'll keep your order here until you can collect it.
