Central Tilba Public School

Term 4, Week 8
WEDNESDAY
November 29th 2017

Dear Parents, Carers and Students,

Last week our year six students went to the University of Wollongong's taster day as part of the IN2UNI program. Feedback from students was that it was an interesting and fun day. We also had our 2018 kinder students come in for their first orientation (Ryder, Billie and Oskar), it was lovely to see our current students making sure they were looked after and comfortable throughout the morning. What a responsible and caring group of human beings we have. This Thursday our 2018 kinder students will be back for their final Orientation day, please take the time to welcome our kinder parents to Central Tilba PS community if you are dropping off on Thursday morning.

In the playground this week we have had, Tilba's Paper Plane Competition, the children have been enthralled with paper plane making at break time. Tuesday we held the official competition but will rerun next week to crown our champions. The paper planes have been a welcome added interest to recess and it has been interesting to see the different designs, the trialing and improving. We have focused on two categories, distance and time aloft.

Everyone is very excited for Andrew Harper's visit on Wednesday and Thursday this week for our Lego Robotics school incursion. Andrew is from a company called Systemic Innovations and travels from ACT to deliver the program to our children. I look forward to seeing how the program works and what the children are able to achieve.

This week has also involved the 4/5/6 class rehearsing their performance piece for Friday's assembly, I do wish I could be there but I have asked if somebody could please video them so that I do not miss out. I will be in Bermagui at the Primary Principals Association meeting.

Thank you to Steve O'Sullivan for bringing his tree pruning expertise to tidy up some trees.

The extra sunlight might help the grass grow in front of the library and keep the branches off our newly repaired shade cloth. We really do appreciate our parent helpers. Also a huge thank you to our parent drivers over the last few weeks; Sandy, Kathy, Katherine and Tony, your involvement allows our children to access the wonderful extra curricula opportunities that are on offer in the far south coast.

The sandwich

By [Isiah](#) on Nov 27, 2017

AAAAAHHHHHHHHHHHHHHH!!!!!!! I slept in. If I don't retrieve the everlasting **sandwich** in time, they'll kill me and I'm not joking. I **hurried** over to my **white** Toyota car with the sandwich but I forgot the **battery** died. But lucky for me I have two cars I ran to the other car and got my keys and put them in the car lock but all of a sudden they snapped. So I run there!!! It is lucky for me that I feel so **energetic** or I would be dead meat. But I see them walking down the street they say, "Give us the sandwich and we will not harm you". Then I remember I left it in the car. Oh no.

Being Followed

By [Angela](#) on Nov 27, 2017

As Abigail (my best friend) and I hurried down the secret passageway, I knew that we were being followed. I had my suspicions about who it was but I wasn't prepared to tell Abigail. I suspected that it was the darkest wizard of all times - Lord Voldemort. We had to charge the battery of our deluminator. On the way through the passageway, we passed Hagrid who was eating a sandwich. We quickly warned him of the dangers that lied behind us. We sucked out the white light as we went. Finally the fight we were waiting for appeared. We were as energetic as he was. We had to defeat him.

If you are interested in reading more great stories from 4/5/6 or giving feedback, go to:

student of the Week

Year K-1-2-3 Class

CODY

Cody is 7 years old and lives in
Mystery Bay.

He likes pasta and his favourite animal is a tiger. Cody's favourite number is 8 and he likes the colour gold. Cody enjoys catching up with friends on the weekend and when he grows up he wants to be a SCUBA diver.

Term 4 Week 8

How decision-making skills develop

Younger children are more likely to:

- Focus on one aspect of a situation
- Focus on their own position
- Look for immediate benefits
- Want things now
- Act without thinking first
- Make simple distinctions between good/bad, right/wrong
- Make decisions based on a whim

As they develop, children are more able to:

- See things from different angles
- See other people's points of view
- Think ahead and plan
- Focus on longer range goals
- Consider consequences
- Apply more complex values to their own thinking
- Used reasoned strategies for making decisions

Learning Continuum – Statistics and Probability (Numeracy)

Please note that the information presented in this Newsletter is of a general nature. For specific information related to your child, it is recommended you speak with your child's teacher.

By the end of Year Five, a child should be able to:

- Collect categorical and numerical data by observation and by survey
- Construct data displays, including tables, column graphs, dot plots and line graphs, appropriate to the data type
- Describe and interpret data presented in tables, column graphs, dot plots and line graphs
- List outcomes of chance experiments involving equally likely outcomes
- Represent probabilities using fractions
- Recognise that probabilities range from 0 to 1

Book Club Orders -

Please return your order with payment by Thursday, November 30th.

If you want to start getting some Christmas presents together and don't want the children to know, just tell Kim and she'll keep your order here until you can collect it.

Kindergarten Orientation 2018

Thursday, November 30th

9.15am - 12.30pm

Everyone at Central Tilba School is looking forward to meeting our new Kinder students for 2018.

PLEASE ADVISE THE SCHOOL IF YOU AND YOUR CHILD WILL BE ATTENDING OR IF YOU WILL NOT BE ATTENDING.

If you know of anyone in the area who is interested in starting their child at Central Tilba Public School next year, please ask them to contact the school as soon as possible. This will enable us to make decisions regarding our classes for 2018.

New Kinder students will need to bring along:

- a hat
- a piece of fruit or vegetable for fruit time
- a healthy lunch and
- a water bottle

What we'll be doing:

During the morning sessions we will be do some singing and dancing as well as a craft activity. We will go for a walk around the school and play some outdoor games. The children will get a chance to play with the resources in the classroom as well as in the sandpit.

We'll read some stories and the current K123 class will get to know their new classmates.

On the first Kinder Orientation day, Kim will distribute the School Information Kit. This includes our School Information Booklet, school enrolment form, bus transport and subsidy information for online registration, uniform order form, as well as other information relevant to students starting school next year. **The P&C will be available on the 2nd Orientation Day if parents would like to purchase school uniforms.** If you have any questions please don't hesitate to ask. We're looking forward to seeing you

ONLINE PAYMENTS TO SCHOOL NOW AVAILABLE

Parent Online Payment (POP) is now available on our school's website

<http://www.centrtilba-p.schools.nsw.edu.au/> (just Google 'Central Tilba Public School') and click on the ' \$

<i>Gabardine Girls' Skorts, Shorts with skirt front, half elastic waist, soft finish, Navy, Sizes 4-16</i>			\$15.50	
NAVY HATS WITH SCHOOL LOGO				
<i>Note: The P&C very kindly gives every child a new hat when they start at Central Tilba Public School. Hats are kept at school on child's hat peg. Additional/replacement hats may be purchased as follows:</i>				
<i>Bucket Hat, Sizes S, M, L</i>			\$10.00	
<i>Wide Brimmed Surf Hat, Sizes S, M, L</i>			\$12.00	
<i>Student Accident Insurance The cost is \$10 per student. The P&C has already paid for ALL students in the school to be covered and ask that parents consider reimbursing the P&C this small cost for having their primary student children covered for accidents. We ask that you send in the \$10 per student as soon as possible. If you can't afford the whole \$10 per student, any contribution you can afford would be great. Please send in with the form below. Please don't forget to let the school know if your child has any kind of injury covered by the benefits payable so that we can send a claim home for you to complete (even if you haven't paid the insurance). Please note this is a '24/7' cover and anywhere in the world, NOT just school hours or events.</i>			\$10.00 Each Child	
<i>P&C MEMBERSHIP - The P&C ask all families to become members of our P&C Association. It is not necessary to attend any or all meetings, although we hope that as many parents as possible will try and support the P&C at their meetings, but by paying the small membership subscription of only \$5.00 per PERSON, per year, you ARE supporting the P&C. Unless P&C subscriptions have been paid, you are not able to vote on any issues that arise at meetings or at the AGM. This donation helps to pay for the P&C's affiliation fees with the Federation of P&C's, Public Liability insurances and P&C Workers' insurance; this amounted to over \$440 last year.</i>			\$5.00 Each	
SUB TOTAL				
LESS DEPOSIT (50% MINIMUM REQUIRED)				
BALANCE OWING				

Please make CHEQUES payable to TILBA DISTRICT P&C ASSOCIATION

(Note: CHEQUES and CASH will be collected from the school office)
