Thanks and farewell

Thank you and farewell beautiful Tilba community. The past year at Central Tilba PS has been very special and an amazing career opportunity that I have been able to grow in both professionally and personally. It has been such a privilege to work with Kara Munn, Kim Atkins, Peter Markham, Juanita Low, Julie Moore and Warren Atkins, what a beautiful and professional team. Of course, I will miss the students the most; it has been a great joy to be their teacher and principal. Thank you to parents and community for all of your support. Central Tilba PS is a very special place.

Welcome to Tilba Mrs Tania Hextell

On Wednesday, we welcomed Mrs Hextell as our new relieving principal to Central Tilba PS. Mrs Hextell comes to Tilba as a local from Narooma PS who has a long and committed relationship with the community. With new staff comes new ideas and enthusiasm, so again welcome Mrs Hextell. I know Mrs Hextell is excited to get to know all of our students and community. Please take the time to come and say hello to Mrs Hextell next term.

4/5/6 Class Shout-Out

This week's shout-out goes to Abigail. Abigail demonstrates respect through being polite, following instructions and allowing everyone the chance to learn. She is an amazingly caring person who strives to include everyone. Abigail is safe in the way she conducts herself with an awareness of other children. Abigail is a leader in modelling our school's core values of respect, care and safety.

Thank you Abigail!

Term 4 Swim Program Reminder

Notes went home for our term 4 swimming program this week, please ensure they come back as early as possible. We have asked that all students begin the day at school during the swim program. This is so that teachers can mark the roll and instruct children regarding behaviour and safety, prior to departing the school by bus to Narooma Aquatic Centre. We also ask that students come to school with their swim wear under their school uniform, this will eliminate the need to use the change rooms before swimming lessons and make sure we get maximum impact from the swim program.

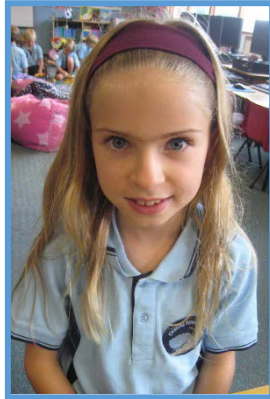

Relieving Principal's Report

Week 9, Term 3 - P&C Meeting

- **Term 4-** we will find out who is relieving principal in term 4 next week. I thank parents, students and staff for having me here for the past year. It has been a rewarding and enjoyable experience.
- **Small Schools Knockout Soccer** - soccer team to play potentially the final two rounds in Glenwood on Thursday 27th September. Information went out quickly to families as we were informed that accommodation would be booked up fast. As time was limited, we have followed the process and the arrangements from the previous year.
- **Term 3 Leadership** - Year 6 finished their leadership activities this week by leading the Jump Rope 4 Heart activities on Wednesday afternoon.
- **External Validation** - meeting is set for Tuesday where Kara and I will present our submission and answer any clarifying questions.
- **NSW P&C Volunteer of the Year 2018** - <https://www.pandc.org.au/volyear2018/> online form, required to upload the 2 required documents:
 1. Meeting minutes where your P&C Association resolved that the nominee was the Association's selection.
 2. A document telling us a little bit about the person nominated and the reason why they were chosen by their P&C Association.
- **Staff Professional Development** - Kim and I participated in additional HR Payroll training last Friday that has helped our understanding of how to pay staff from key initiative funding areas.
- **Swimming for sport** - swimming note to go home in week 10, swimming to start in week 2.
- **Small Schools Relay**- another winning team that will be heading to the state competition, which is next term, 31 October – 1st November.
- **Jump Rope 4 Heart** -Jump rope was successful, children enjoyed the start of our skipping program with the visit from the Skipperroos, which inspired many of the students to try new skipping techniques and an interest during recess time. We also spent time talking to children about the value of raising money to improve the lives of other s.
- **Mandatory registers** - thank you to all parents for filling out the Appendix 5 declaration, we have copies next to our sign in book so if you have not yet please do next time you are in the school.
- **New website** - is up to date with newsletters, event dates and I have been trying to find the time to add a new news story each week.
- **Years 3-6 School Camp** - this year's school camp is at Bournda and is booked for week 6 (Wednesday-Friday), there may not be a need for a parent to come along as Doug Reckard would possibly be staying for the camp.
- **Enviro Day** - a team of six students will go to Broulee Surf club to participate in an environmental forum and activities.
- **Planned Maintenance** - planned maintenance will fix the retaining wall around the play equipment and sandpit so we will put off asking the P&C to contribute by buying soft fall and sand until the repairs are complete. The railings on the weather shed will also be replaced as there is significant rot.

Student of the Week

Mia is
RESPECTFUL,
CARING and
SAFE.

She sits calmly at learning time and makes good behaviour choices. She helps others and she is kind and caring. Mia leaves sticks alone in the playground and she is a good role model to others.

Kinder, Years 1,2,3,4 and 6 children worked together in the last week while our soccer team played in Sydney.

We formed groups and made up dance sequences for the BeeBots.

We made pom poms !

The Year 4s and 6s created their very own stained glass window in our Library and Music Room.
