The end of the year is almost upon us and we look forward to our end of year events.

Congratulations to all students who participated in the Mufti For Monty's Day on Friday. We raised \$75.35 as well as a hamper full of Christmas inspired pantry items for the needy. It is rewarding to contribute to a local charity, particularly Monty's, as they give back to us by donating ingredients for our Kitchen Garden Program.

Our playground is looking better all the time. A lovely group of students has been making mini-gardens around the grounds using the mulch and donated succulents.

Following the maintenance works last week, the children in the Najanuga class used their earthworks equipment to move the gravel. Well done!

Due to the weather last week, our school photos have been postponed to today. Thank you to all families who returned their photo order envelopes promptly as it certainly makes administration easier.

The teachers have been busy writing end-of-year reports which will be sent home on Friday 14th December.

Our Positive Behaviour for Learning focus this week is: *Be responsible for what you eat and when you eat.* Remember there is no eating on the bus!

Tania Hextell

The final Narooma High School Formal Assembly was held last week and it was great to see so many past students of Central Tilba Primary excelling across a range of areas. Congratulations to Jack De' Somerville, Josh and Caleb English, Angela Garrad, Archie Cowie, Eric Hills and Layla Atkins.

Layla presented her inspirational English presentation about Freedom. Her speech explored the concept of the Earth being damaged by neglect and how important it is for humans to care and respect the freedom of all living things to ensure the Earth is free to survive.
