Issue No. 34

Week 5 – Term 4

Please be aware of the new **Bus Zone** areas, times and signage. We have been advised that fines will be issued to vehicles inside the zones during the indicated times.

The times are 8:30 to 9:30am and 2:30 to 3:30pm.

It is much safer in the afternoons with the buses pulling in to the school gate to enable boarding away from the road.

On **Friday 30th November**, we will be having a **Mufti for Monty's Day** here at school. The children are asked to donate a gold coin for the privilege of wearing mufti, as well as bring a non-perishable item for a Christmas hamper. The money raised and the hamper will be given to Monty's to contribute to their programs and to thank them for contributing to our Garden Kitchen.

This is a big week for staff training and professional development. Kim is off to Bateman's Bay on Wednesday and Thursday for training in administration management and student wellbeing. Ms Munn is completing further training in Best Start on Thursday. Kim and I are heading to Ulladulla on Friday for training in the new live electronic financial planning tool.

Chess
Team.

The boys competed in the Eurobodalla Community of Schools Chess Tournament on Friday and came second. Congratulations! I received an email from Mr Roberts, the organiser, who commended the boys on their sportsmanship, skills and manners. It is certainly a pleasure to receive positive comments regarding our students.

Groups of children have been making our grounds more beautiful during break times. They have been using the mulch and various succulents to create mini-gardens amongst the rocks and in other places where it is difficult to grow grass and other plants.

We would welcome any cuttings to add to the collection if you have any!

Student of the Week

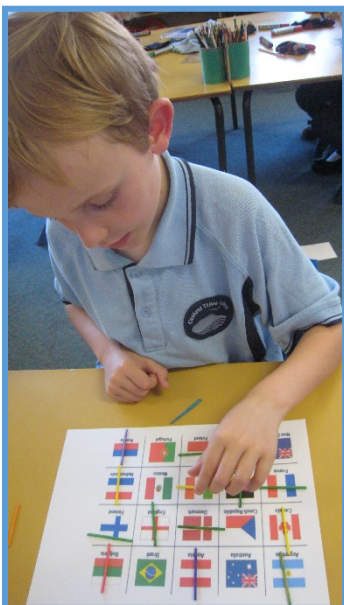

David is

RESPECTFUL, CARING and SAFE.

He looks after the environment and people know they can trust him. David encourages others to do the right thing and he includes people in his games. David stays in the right places at the right times.

A small selection of the mouth wateringly delicious fruit and vege snacks in Najanuga class this week. And not one scrap of plastic waste.

Investigating symmetry in Maths this week.
