What a busy week we had last week at CTPS! *For a small school we do big things* is certainly an understatement.

Years 3-6 had an amazing time at Bournda camping for two nights. The activities were so much fun and built skills in teamwork, co-operation and resilience.

Raft building, kayaking, bush walking, spotlighting, virtual reality software, jaffle making,

clothes drying, sleeping- many of the challenges faced and won at camp. Mr Markham, Warren and Mrs Hextell were all proud of the co-operation, resourcefulness and manners shown by everyone over the three days. A big thank you to the Bournda staff- Doug, Luke and Rose, Jasmine our bus driver and to Ruby who came with us as a part of her work experience.

It was lovely to meet our new kindergarten students on their first day of the kindergarten transition program. We look forward to seeing them again on Tuesday.

K12 had a lovely visit to the Café on Friday. Thank you for your lovely manners. Ms Munn and Kim were very proud of you.

We had the plumbers in over the weekend replacing the absorption trenches and they were kind enough to relocate the leftover blue-metal stones to the bare patch in front of the library. It certainly looks better! We also had the new soft-fall for the playground delivered. We hope to spread it this week so we can open the playground for playing- something we are all looking forward to.

Don't forget we will be having our **School Photos on Thursday** and our

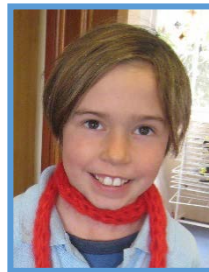

Mufti for Monty's Day on Friday.
