Issue No. 32

Term 4 Week 7

Farewell Miss Andrews!

We were lucky enough to have Miss Carmen Andrews complete her second practicum experience from the University of Wollongong on the Barranguba class for the last three weeks. She planned and implemented some fabulous lessons with the class and some highlights are illustrated on the Barranguba page.

Welcome to our new kindergarten children for 2020 and their families! We welcomed Lilah, Elke, Archer and Riley for their first transition day at Central Tilba School on Wednesday. Thank you to Jasmine who helped Kim to greet the parents and organise morning tea and uniforms.

Presentation Night

Our annual presentation evening will be on Tuesday 17th of December. Ms Low and the children have been rehearsing the musical items. Please advise the school if your child will not be present on the night, so roles can be adjusted accordingly.

Canberra Excursion

The Barranguba class is very excited about their excursion this week. Photos will be posted onto the school Facebook page. Mr Russack, Nicky, Stuart and myself are looking forward to accompanying the children and hope to get at least a little sleep!

Departure on Wednesday morning will be from **school at 6:45am or Narooma Tourist Information Centre at 7:00am.**

Mia's Magic!

We enjoyed Mia's recital on the violin at our last assembly. You will be pleased to hear that Mia came third in the St Cecilia Scholarship on Sunday. She was also the youngest competitor. Congratulations Mia!

Taekwondo Display

The Barranguba final taekwondo lesson is on Friday 6th December. Parents are invited to come along to watch the lesson at 9:15 on the school oval. Believe me, it is quite special to see.

With your support we continue to do great things!

Tania Hextell (Principal)

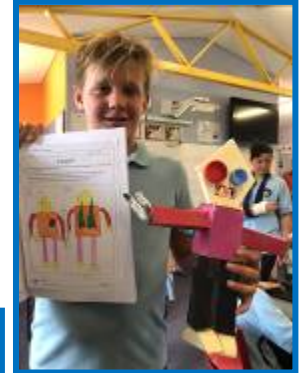

Our PBL Focus for this week is:
Using your manners and waiting patiently and calmly.

Positive Behaviour for Learning

Nash

**Our
Radical
Robot
Challenge!**

**Using
different 3D
objects !**

This week we completed the 'Radical Robot's Challenge' that Tommy from Tommy's Toy Store set us, with Miss Andrews guiding us along the way. We were tasked with design, mathematical, and construction problems that led to our now **RAD** robots keeping an eye on the Barranguba classroom. Problem solving, persistence and classmate support was the name of the game! With all our hard work paid off and our grinning smiles, Tommy, Miss Andrews and Mrs Hextell couldn't be more proud, and have decided everyone's a winner.

Well done Barranguba!

Miss Andrews

Student of the Week

Here's some of Kinder, working with their tens frames in Maths.

The Environmentors visit taught us about reducing, reusing and recycling.

Our artwork was chosen to be part of the 2020 Calendar for Cultural Diversity. Well done artists. The calendars should arrive in early December.

We had a Boat and Water Safety talk on Thursday.

Year 6 Orientation visit to Narooma High School
Tuesday, 3rd December, 2019 (whole day)

Dear Parents of Max, Milo, Riley and Jack,

On Tuesday, 3rd December, 2019, Narooma High School has invited our Year 6 students to the school for a whole day visit. All students are expected to attend.

Parents are asked to drop their child off (or they can catch the High School bus) by 8.45am. The Year 7 2019 Year Advisor, Carly McMahon will be there to meet them. Students will be engaged in a variety of classes, including sport classes so it would be good if they can wear appropriate clothing and footwear.

Students will be expected to take their normal food and drink for the day.

Students will be assisted by peer support students in catching the right bus home or alternatively they can make their way by private transport.

Please complete the permission note below and return it before Monday 2nd December.

Tania Hextell, Principal

PERMISSION NOTE

Year 6 Orientation visit to Narooma High School
Tuesday, 3rd December, 2019 (whole day)

I give permission for my child _____ to attend the Year 6 whole day Orientation at Narooma High School on Tuesday, 3rd December, 2019.

I understand that students will be catching the high school bus or arranging private transport to attend on the day and return home.

Signed _____ Date _____

Happy Birthday
Bob!

On Wednesday
Bob turned 10.
Even though it was
his birthday, Bob
thought of
everyone in the
Barranguba class
and brought in
scrumptious
cupcakes for all to
enjoy. Yum!

Continuing our 3D
object focus, Miss Elton
challenged us to create
our own tiny homes.
Check them out!

Year 5 assisted Ms Munn during the
kindy transition, and were described as
"angelic". We look forward to seeing this
lovely group of students become our
senior role models next year. The
remaining Barranguba class were lucky
to have year 2 join us, while Miss
Andrews tested out her PE teaching
skills. Teamwork exercises helped
strengthen our collaboration and
resilience in the warm sun.
