Central Tilba PS Newsletter

Issue No. 34

Term 4 Week 9

Fire Safety!

A very timely visit from the Central Tilba Rural Fire Brigade on Thursday. Jason, Dave and Kate came along to school, despite how busy they are fighting fires at the moment, to educate us about the importance of fire safety and planning in this current climate.

Thank you for all that you do in keeping our community safe.

Evacuation Drill

On Wednesday, we had an evacuation drill to determine any issues with our current evacuation plan. One thing that did come to light, was the concern, in the event of an evacuation, that parents would attempt to drive into the school to collect their children and/or congest the driveway from emergency vehicles. Our evacuation meeting point is the bottom of the school driveway, following which we would either be collected by bus as a group, or walk as a group to the Tilba community meeting point, which is the main carpark behind the community hall.

School Sleepover!

The children in Years 2-6 are very excited about their school sleepover on Thursday night. They will need to bring everything they need for the sleepover to school on Thursday morning, including anything they need for The Talent Quest on Friday.

Chicks Due

Our broody little hen is sitting on eggs, which by our calculations are due to hatch this week! We are so excited and will keep you posted on any progress....

Year 6 Project

Thank you to Bernie from Narooma Men's Shed who worked with Max, Jack, Milo and Riley today on their very special and secretive project. All will be revealed at our presentation!

I look forward to seeing families at our final assembly for 2019, on Friday at 2:30, following our final P&C meeting for 2019 at 1:00. If I don't see you on Friday, I know that I will see you at our Presentation Evening next Tuesday at 5:30 in the Tilba Hall!

Tania Hextell (Principal)

Positive Behaviour for Learning

Our PBL Focus for this week is:
Ask yourself: "What can I do to help others?"

Our final Taekwondo session with Zoe, Hollie and Zane was fantastic. We hope the parents who came along to watch enjoyed it. The Najanuga class certainly did!

Canberra Excursion 2019

On Wednesday 27th of November at 6:45 we left for our Canberra excursion. The Years 3,4,5 and 6 went, as well as Nicky, Stuart, Mr Russack and Mrs Hextell. Once we reached Canberra we went to the National Gallery of Australia and we had our tour guide Samantha show us the artworks and sculptures, after our tour we drove to the DreamWorks animation and had lunch and explored the behind the scenes of the making of "How to Train Your Dragon".

Once we were finished we went to the dinosaur museum and learnt about all different dinosaurs and their habitats. Then we left to go to Capital Country Holiday Park. Once we arrived we set up our cabins and made our beds then we left for dinner.

At 8:00 PM we had the choice to play on the jumping pillow, play volleyball, tennis and putt putt. At 9:00 we left to our cabins, had showers, got changed and prepared for bed.

Day 2

On Thursday we woke up at 6:00 and had breakfast. At 7:00 we left to go to the Australian Institute of Sport (AIS). At the AIS we saw the gymnasium, volleyball court, basketball court and the swimming pool. At the end we went into an interactive room and we could do all different sports. When our tour was finished we went to the Australian War Memorial and learnt about Sarbi the legendary war dog, the Unknown Australian soldier and the everlasting fire. When our tour was finished we went to MoAD (Museum of Australian Democracy) and learnt about free speech and children's rights. When our session was over we drove to the Mint and learnt about how the money was made and the history with it. Then we drove back to our cabins. At 6:45 we ate dinner and then we left to go to Iplay, Iplay is like an arcade with lazer tag and dodgem cars it was very fun. After two hours at Iplay (we were only supposed to go for 1 hour but we got an extra hour on our cards) we went home.

Day 3

On Friday we went to the Parliament House and Questacon. The highlight of the trip for me was definitely Iplay, I loved the lazer-tag and playing with friends. I would really like to visit Questacon again because there was so much to learn and it was very fun. While I was at the Australian Parliament house I learnt where everyone sits and how many rooms there are (there are over 4,000 rooms in parliament). In the end Canberra was very exciting and enjoying. Thank you everyone for organising this.

Sophie Potts

1631 Bottle Lids- sorted and counted. That is at least 3 prosthetic hands!

Here's the new
Fire Chief Dylan!

Students of the Week

Thanks to the Fire Brigade for popping in to chat about fire safety. We also had a fire drill at school so we would know how to safely and calmly evacuate the school is necessary.

Here we are watching the Taekwondo display on Friday- we were impressed.

Wow, we had a cleaning frenzy ! We took out all the toys and washed them, ready to start 2020 fresh and sweet smelling.

Thanks to Sandy, Linda, Dean and Tarquin for including our kinder transition children in Kitchen Garden this week.

Central Tilba Talent Quest

NEXT Friday at assembly

December 13th

Pick up an application form and
start practising !!!

Year 6 to MC at their very last assembly.

sing

dance

tell a joke

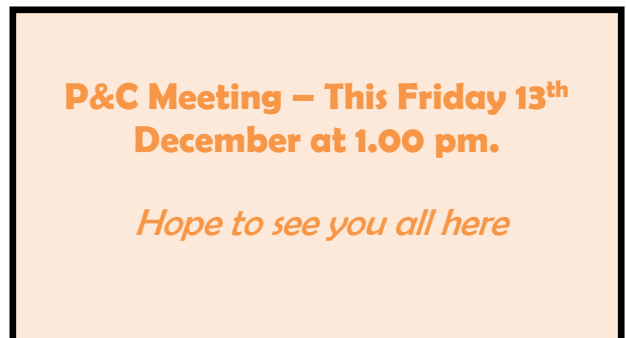

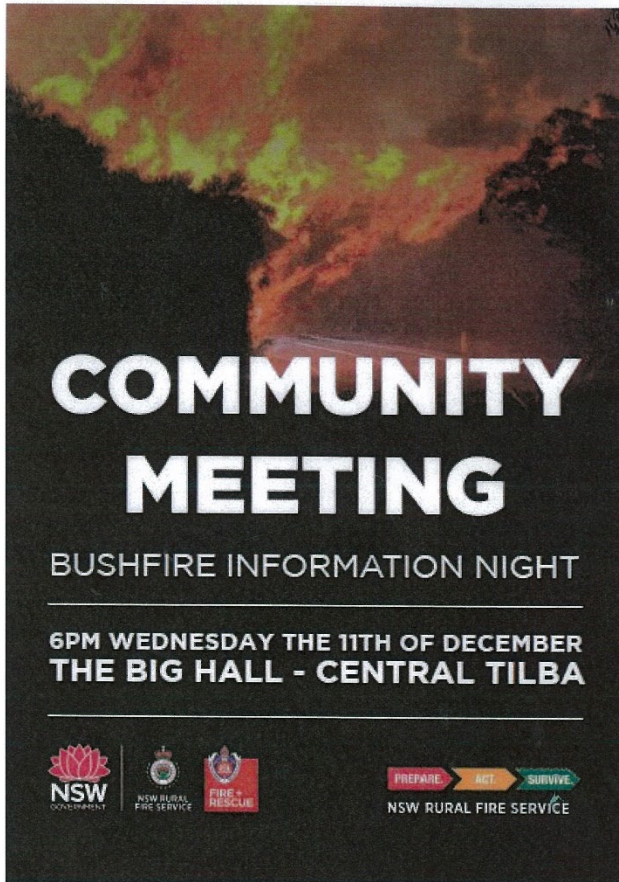

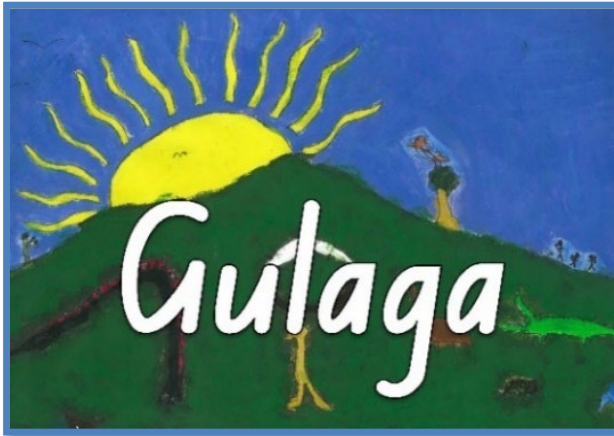

skip

do magic tricks

play an instrument

recite a poem
