Issue No. 35

Term 4, Week 5

School Photos are coming home today. What a fabulous backdrop! Amy has done an amazing job in capturing the best and the individual personalities of our children. Thank you Amy! We hope you enjoy them.

NAIDOC at Tilba School finished with a moving performance from the Djinama Yilaga Choir, who performed songs in Dhurga language, a string quartet from the Sydney Youth Orchestra

"Quarted" and the wonderful Four Winds Artists in School. We then had an amazing campfire lunch prepared by Sandy, Linda and Vickie of Kangaroo Stew, Hot Potatoes, Warrigal Green Damper and Stick Damper with drippy Tilba Honey! All cooked in our very own fire pit! All photos are posted on our school Facebook page for you to enjoy.

Year 6 had a wonderful day on their excursion to Montague Island (Barranguba). The focus was learning the indigenous history and connection to the island. Many thanks to Jas and Benn of Montague Island Adventures for the generous discount on our boat transfer out to the island. Our NPWS guide Ray, taught us a lot and explained things really well.

P&C has been postponed due to the recent restriction changes. I look forward to meeting with the P&C and collaborating with them on our school planning.
Tania Hextell (Principal)

Congratulations George! George's artwork was selected to be on the Eurobodalla Shire Council Environmental Calendar for 2021 !

All Tilba families will receive a calendar from George today.

Year 6 had a wonderful transition day at Narooma High on Thursday. They returned to school saying that they were "soooo ready for high school!"

Performances were happening in the music room this week!

Kindergarten transition started on Tuesday and we welcomed our new Kinder students for 2021. They met their classmates, had a play in the playground, listened to a story about a possum who goes to school and looked at the Tilba School uniform.

Next Wednesday is our second transition day. The children will meet the current Year Five students (next year's leaders) who will set up and run an outdoors fun fitness tabloid.

Keep your eyes on the ball everyone!

We looked at the NAIDOC Week poster and started our artworks.

Miss Brown showed us how to etch our families into crayon.
