Issue No. 38

Term 4, Week 8

The Singer Songwriter Program saw all eight songs recorded this week. Thanks must go to our wonderful P&C for funding the program and to Ms Low, Sophia and Paul Green for working with the children to take their songs to the next level. The

songs will be available as an album on Garage Band from Wednesday 16th December for \$15. A perfect Christmas gift for families! All funds will go directly to the Tilba Public School P&C to support our wonderful music program in 2021. The students will debut their songs at our presentation night on Tuesday 15th December starting at 5:30pm at the Tilba Hall.

School Sleepover for students in Years 2 to 6 is on next Thursday 10th December. Notes have been sent home outlining what the children will need as well as an indication of tents required. Please return the notes as soon as possible so that arrangements can be made to ensure everyone is accommodated for a good night's sleep! All food and meals will be provided and students will make their own sandwiches for lunch on Friday.

Next Friday 11th is a busy day at school! We have a P&C meeting at 1:00, our final assembly for 2020, which is our famous Talent Quest!

We are calling for as many parents as possible to attend our P&C meeting. Without the support of our P&C our little school simply can't do the "Big Things" that are so valued by our students and community. As we work towards developing our School Improvement Plan for the 2020-24

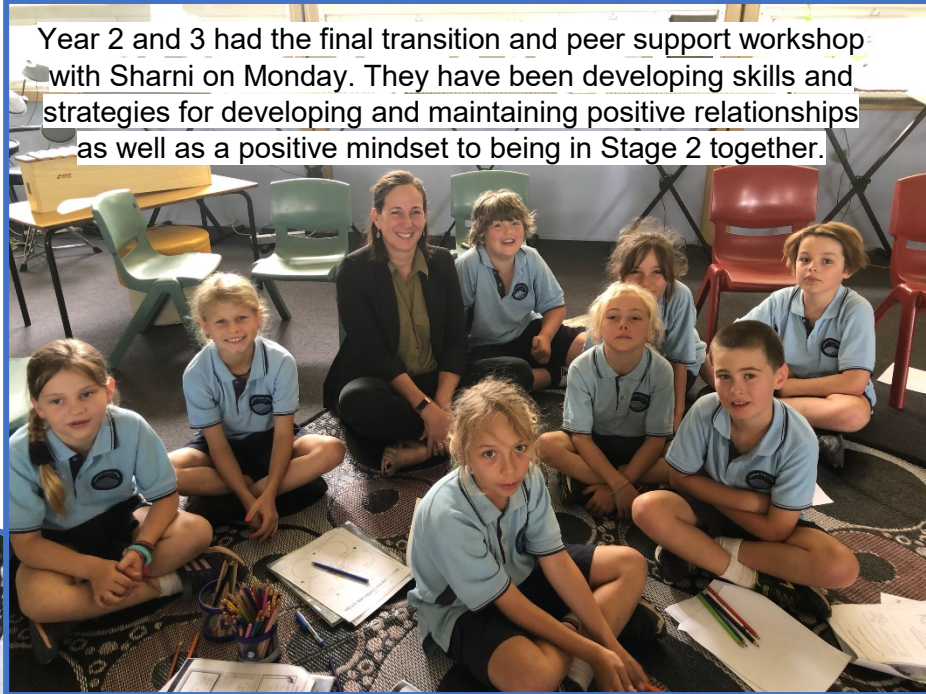

period, we rely on the input and contributions from our P&C representatives. It is essential that we have a shared vision in working towards excellence in both ensuring that every student achieves improved learning outcomes every year and that our students and community connect, succeed and thrive academically, physically, socially and emotionally. Our P&C also have a lot of fun! Thank you for your support.

Tania Hextell (Principal)

Year 2 and 3 had the final transition and peer support workshop with Sharni on Monday. They have been developing skills and strategies for developing and maintaining positive relationships as well as a positive mindset to being in Stage 2 together.

The NRL "Be The Best You Can Be" Team came for a visit. They reminded us of the importance of sleep and taught us some skills.

Thursday saw the culmination of the "Singer Songwriter" Program. The amazing Paul Green worked with the children to record the songs that they had written this term.

He was very impressed with the quality of the song lyrics, the skills and abilities of the students as musicians and performers, but most importantly their maturity and gratitude for such an experience. Stay tuned for the songs to be shared!

Year Two is ready for the flying fox- they're not officially allowed until next year, but they've been having some sneaky supervised turns.

Oh what a beautiful setting for the Najanuga classroom..

DEAR time stands for Drop Everything And Read. It is always a lovely, calm and quiet time in our room.

Our final Kitchen Garden for 2020 and the last time that Year 6 will cook here at Tilba School and in the Dhananj Kitchen! They remember the beginning of the project fondly and would like to thank Sandy and Linda personally.

We would also like to thank Nick and Erica from Tilba Real Dairy for their weekly donations, as well as Bob Day from Tilba Honey for supplying us with as much honey as we need.

Thanks
Linda and
Sandy-
you're
simply the
best !
