Term 4, Week 9

Year 6 personal Development Program

Program was conducted as a one day workshop this year, rather than a series of weekly sessions. Year 6 showed maturity and gave thoughtful consideration to questions and responses when exploring all aspects of change and reproduction. We particularly focused on building and maintaining positive, meaningful and respectful relationships. They were each given an egg to care for. They named them and constructed appropriate and safe containers. We have had two fatalities and one trip to the emergency room. Parenting is a tough gig!

School Sleepover – what an experience! The transition of Year 2 into the Barranguba class culminates in a school sleepover! We survived putting up tents in the wind and enjoyed a wonderful night under the stars at school. A big thank you to Sandy for all of the meal preparation and to the P&C for funding the food. Bob Day delivered flavoured milk at dawn to start our day- which is always a big hit and appreciated- thank you! It is always appreciated to be able to offer an experience that is of no cost to families.

Presentation Evening on Tuesday will commence at the Tilba Hall at 5:30pm. New compliances mean that each student may have 2 adults attend. There will be a sign on sheet at the door with your child's name and 2 sign on spaces. We are very grateful to the hall committee for liaising with us to co-ordinate a new COVID Safe Plan so that our presentation can proceed without parents missing out.

Assembly and Talent Quest We had a most entertaining assembly and talent quest today. The last assembly to be hosted by our Year 6 students. Congratulations to all award recipients and to Year 4 for achieving their Pen Licences. All photos can be seen on our school Facebook page.

Student Reports went home today! Please share with us in congratulating our children on a year of hard work resulting in a year's growth academically, physically, socially and emotionally.

I wish to take this opportunity to thank our school community for your support and valued contributions to our school. Our little school is highly regarded in the wider community and educational networks for it's connectivity to the community. Thank you for connecting with us!

Please enjoy a happy and safe holiday season with your families.
Tania Hextell (Principal)

Look how
they've
grown up:

Kinder 2018
Year 1 2019
Year 2 2020

Thanks for all the fun and laughs Year 2.
We'll miss you being
in K12. xxx
