Issue No. 30

**Term 4 Week 7**

## Certificate of Excellence

Our entire school learning community was recognised for our exceptional leadership by the Executive Director, School Performance, Kathy Powzen and the Director Educational leadership, Greg McDonald. This award acknowledges each and every student, parent, teacher, support staff, community member and school leader for their unrelenting commitment, perseverance and contribution throughout 2021. Congratulations!

## Kitchen Garden

Our amazing Kitchen Garden co-ordinators have provided our students with opportunities to develop planning, preparing, and cooking skills EVERY Friday! The children are enthusiastic and engaged in the program and receive a wonderful feast for lunch, followed by afternoon tea after swimming. We welcome parent volunteers who may be able to assist with the gardening component of the program. Everything is here- we just need you!

## School Uniforms

Our school uniform is comfortable, affordable, and available. For those who would like to contribute to our **Clothing Pool**- your contributions are appreciated and well used by many of our families. **Thank you to families who ensure that their children wear correct school uniform each day.**

## Lost Property

Please label all items of clothing with your child's name. We have many new items in our lost property tub without names.

## Head Lice

With the hot, humid weather comes an increase in headlice. Please check and treat your children using the most effective method of choice. Hair needs to be tied back securely to prevent transmission.

## Year 6

We wish our Year 6 students a wonderful day at Narooma High School on Tuesday for their orientation day- you are ready and will have an incredible time!

**Tania Hextell  
Principal**

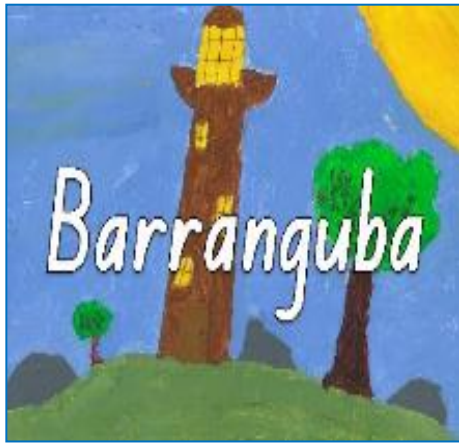

*Positive Behaviour for Learning*

Our PBL Focus for this week is:

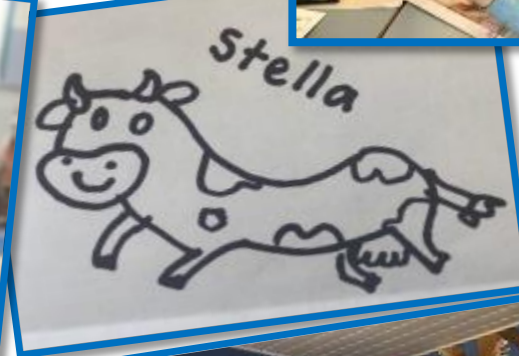

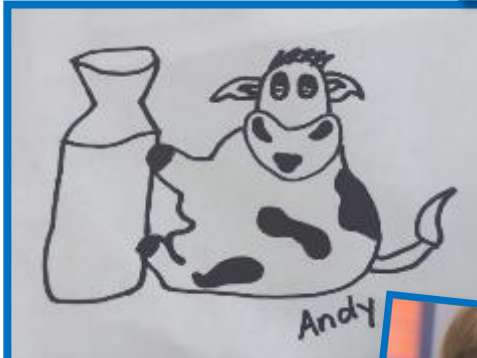

**We wear our school uniform with pride  
as it gives us a sense of belonging.**

## Cows?

I wonder  
what will be  
on our next  
P&C Tea  
Towels.  
Available in  
2022!

### Kitchen Garden for Year 6

This week saw a  
couple of little treats  
for our school  
leaders.....

Delicious sausages,  
coleslaw, and onions  
in a soft roll for lunch  
with pancakes for  
afternoon tea!  
Delicious!!

### Things to remember:

- Wear my correct school uniform!
- Tie my hair back securely!
- Label all my school clothes!
- Return my Library Books!

Our 2022 Kindergarten children came to their first Kinder Transition day. They joined in, followed instructions, smiled, worked hard and made new friends. It was lovely to see them fitting in so beautifully with their Najanuga classmates.

Year 2 made objects from the centicubes and investigated the length, width, height and volume.

Kindergarten practised writing their names on lines. They also looked at the size of the capitals compared to the 'body' letters. We only use capitals at the start of sentences or names.

We made fairy bread with Mrs Lendrum to help us learn about writing and following procedures.

K12 was lucky to have Mrs Hextell work with them to create these super -dooper Cat in the Hat artworks last week.
