Term 3 Week 6

Welcome Home Family!

We are delighted to introduce Duke, Davi and Dali to our school community and I'm certain we will all make them feel welcome when we all return to school.

Stay at Home Orders

Due to the extension of the Stay at Home orders issued for next week, we will continue to provide our Learning from Home program and materials. Packs can be collected from the school entrance any time on Monday. Please contact the office if you are unable to collect your pack. School is open for any children who are unable to be supervised at home.

Kitchen Garden Goes Remote!

Linda and Sandy have put together "Home Learning Cooking" packs for each family to cook chocolate chip cookies at home next week. Packs will be available on Monday with your Learning From Home packs at the gate. Thank you ladies x

Questacon Workshop

On Thursday the Barranguba class participated in a Questacon workshop to celebrate Science Week. The presentation was via Zoom which enabled students to participate from both school and home simultaneously. The students needed to be solution creators in designing and building a prototype for a piece of equipment to meet the needs of fantasy characters in their given scenarios. It was innovative, engaging and fun!

Congratulations and a big thank you to all students and families for your dedication to Home Learning.
