Term 4 Week 9

Thank you P&C!

The Tilba community are very grateful to our P&C for hosting the annual Christmas Carols. It is an opportunity to celebrate all things Christmas and community, as well as supporting our P&C by purchasing a BBQ dinner for the family. Singing, games, fun, catching up with old friends and making new ones. A perfect example of what our P&C do best!

School Photos

We hope families have enjoyed receiving their beautiful photos. Once again, Amy-Lee has captured our children perfectly- Thanks Amy!

School Swimming Program

Congratulations to all students on completing the 6-week school swimming program. The improvements gained in confidence, skills, endurance, fitness, and water survival skills have been outstanding. Certificates will be presented at our school on Friday.

Annual Presentation Night Changes

Due to the current health orders and the Department of Education COVID Safe Guidelines, we are unable to hold our Presentation Night at the Tilba Hall.

We will have the presentation at school during the day on Tuesday 14th December.

Unfortunately, parents are not able to attend.

We will video the presentations and performances and ensure that this is available to all families.

We are very disappointed, as I'm sure you are.

There is certainly a lot going on here at school, with many excursions, events, and opportunities for our students to participate in. We try to minimise the cost for families at this time of year and value the support of our P&C in subsidising the costs. Thank you!

Our last Dhananj for 2021 is next Friday and will be a very special lunch with all the trimmings. We all look forward to this beautiful way to end our Kitchen Garden program for the year and reflect and give thanks for the wonderful experiences had in the kitchen and garden.
