Issue No. 37

Term 4 Week 7

So, you want to be a teacher?

This week we have had Aiden Roberts and Ryan Major from Narooma High School completing a work experience program here.

They quickly built a rapport with our students and have supported activities in the classrooms.

The children have enjoyed having Ryan and Aiden in the playground joining in their games and encouraging participation, supporting conflict resolution, and helping individuals when necessary.

It is wonderful to see young people interested in becoming teachers!

Congratulations Jack and Grace!

Our character strength for last week was "Teamwork". Jack and Grace demonstrated excellent teamwork when setting up the tents at our school sleepover last week. Thank you!

School Sleepover

Our annual Years 2-6 camp out at school was so much fun. Our students were amazing and demonstrated teamwork, resilience, responsibility, respect, care, and safety. We were so proud of you all!

A big thank you to Sandy and Linda for catering and having everything ready for us to be independent and extremely well fed. We couldn't do it without you!

Last Day of School for 2022

Our last day will be action packed and very special with: The Wooden Car Derby, Giant Water Slide, facepainting, a T-Ball game for all and a special lunch. Families are invited to come for the day or just for lunch. We hope to see you here!

Tania Hextell (Principal)

This week we studied **Coco Chanel** as our Amazing Person and we focused on her **creativity** as a character strength. She would have been very impressed by the creativity and designs of the Barranguba students on Wednesday. They designed, created, and modelled their "Garbage Bag Fashions" on the classroom catwalk!

At this time of year we focus on transition. Our Year 2 children are getting ready to join the Barranguba class. They proved themselves well and truly ready as they participated in their first school sleepover. Teamwork and friendship.

The 2023 Kindergarten children came for their second transition day. We played some counting games and read *Possum Goes to School*. Then we went for a walk around

Tilba School to check for possums !

Our Year 5 children did a great job setting up and running our transition tabloid. Thank you to Molly, Jack, Leroy and Dali. You showed maturity and kindness, and we look forward to your leadership next year.

FOOTY 2 FIGHT MND

NAROOMA LIONS -v- MERIMBULA DIGGERS

KICKING GOALS FOR MND

Dear Tania and the Central Tilba Public School community,

On behalf of the Footy 2 Fight MND Committee we would like to sincerely thank you for your support and generous donation you gave towards our Footy 2 Fight MND 2022 fundraiser.

Without your support we could not have had such a successful event, as we did on July 30th, 2022.

It is with great pride and excitement to inform you that we raised a massive

\$31,710

through both the day and evening events.

We had no idea we would raise as much as we did and are looking forward to giving the money directly to FIGHT MND in October when myself, my father, Max and 2 committee members, Michelle and Monique attend this year's Daniher's Drive event in Victoria.

Please watch this link from FIGHT MND so you can see where your generous donations and the money we raised go and how they help to fund vital research projects and help people suffering from this horrendous disease, Motor Neurone Disease.

(Put the cursor on the link and follow the directions to watch)

https://www.facebook.com/watch/?v=441171524438522&extid=NS-UNK-UNK-UNK-IOS_GK0T-GK1C&ref=sharing

Once again, thank you so much for your support and we look forward to another fundraiser in 2024.

Kind regards,

Mel Tiffen and the Footy 2 Fight MND Committee 2022

Monique Craig - Kirsty Edwards - Jason Sauluma - Michelle Hewston - Kim Harris
