Term 1 Week 10

Harmony Rock Garden

Our collaborative piece came together this week, as we all placed our hand painted rocks into the Harmony Rock Garden. Take a look next time you visit!

Tilba Festival Banner

The rock art works inspired the design for the Tilba School banner to be displayed in the street for the Tilba Festival. Thank you Sandy for working with us to create our art works and thank you to the Tilba Festival Committee for inviting us to contribute.

Go Tilba! Nash, George, Zac and Ryder have been training hard and are ready to compete in the Small Schools 4x50m Relay at the PSSA State Swimming Championships at Olympic Park on Tuesday. Coach Francois has been very impressed with their personal gains in knocking seconds off their times. You have done the hard work boys and we wish you well. The whole school will be watching on the big screen and cheering you on!

Blaze, Davi, Banjo and Tahlia have demonstrated that **integrity** is one of their character strengths. An admirable strength to have indeed!

Cross Country

We look forward to hosting Quaama School at our Cross Country next Friday at the Tilba Sportsground.

We hope to see many parents and friends there to watch and enjoy a delicious lunch from the P&C Kitchen Garden Canteen.

I can do it even when it is hard!

How to Handle a Vivid Imagination

In Writing this term, we have been focusing on becoming more creative with our imaginative ideas. Each week we create crazy and imaginative solutions to ridiculous problems.

How To Handle A Vivid Imagination

If your vivid imagination runs away with you and you suddenly find yourself being turned into a toad by the wicked wizard of Woolloomooloo and all the princesses are overseas on a tour for the foreseeable future, then....

.....never fear the remedy is near!
Take a big, deep breath and.....

Let him turn you into a toad, grab your phone out of your pocket. FaceTime the princesses then wait for the wicked wizard to go, then kiss the princesses and back to normal you are!

28.3 **How to Handle a Vivid Imagination**

If your vivid imagination runs away with you, and you suddenly find yourself being turned into a toad by the wicked wizard of West Woolloomooloo and all the princesses are overseas on tour for the foreseeable future, then....

.....never fear the remedy is near!
Take a big, deep breath and pick up your dog Sam and then tap your ruby and members back and say "There's no place like school", repeat it until you are at school doing a writing assignment called *How to Handle a Vivid Imagination*.

How to Handle a Vivid Imagination

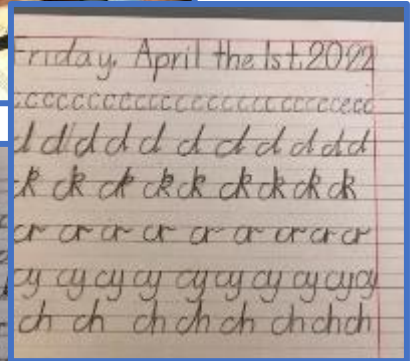

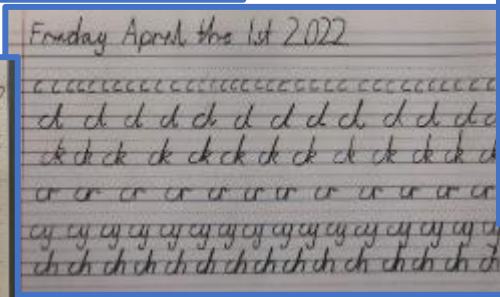

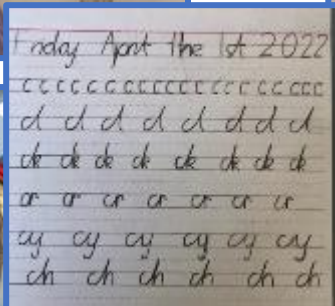

If your vivid imagination runs away with you and you suddenly find yourself being turned into a toad by the wicked wizard of the West Woolloomooloo and all the princesses are overseas on tour for the foreseeable future, then never fear the remedy is near! take a big deep breath and... tell the wizard the raiders are planning their takeover, starting with the forest of woodland and are coming this way to rule the world. Wicked wizards hate raiders because all the Enchanters of the raide are normally more powerful than Woolloomooloo Wizards. Even those summoning ones all are more powerful than each other. The wizard will go to turn all the raiders into frogs. He will be cursed by the raid leader of Ever so run before they find you!

We took the opportunity to publish our writing this week to build our typing fluency.

Stage 2 have been trying very hard to join letters together in handwriting this term. Posture and pencil grip are very important!

Last week's velodrome trip was a great way to practise for our cross country that's coming up. We did lap after lap after lap...
