walked to the gate each afternoon. We continue to require parents picking up children to wait until the busses have left at 3:20 to ensure safety for all. Thank you for your continued co-operation and support with these arrangements.

Tilbaroos!

If the Soceroos can do it, then so can we! Tilba will be playing Delegate in Round 2 of the Small Schools SKO competition at Dalmeny on Wednesday at 11:30am. The whole school is going out to watch and cheer and we hope parents can join in the fun as spectators as well. Go Tilba!

Far South Coast Dance Festival

We are getting excited about performing at the first Far South Coast Dance Festival in the Yuin Theatre at the new Bay Pavilions complex on Tuesday 28th June. I hope everyone has purchased their tickets, as I believe they are selling fast. We will bus to Batemans Bay on Tuesday morning for the rehearsal and return to school for a restful afternoon. We are relying on parents to have children at the venue by 5:30pm. Please see the note on SchoolStream for further details and let us know as soon as possible if you require support in organising transport for your child. We understand that this is a big ask and may be challenging for some families however your child's participation in this event is an amazing opportunity for them.

School Photos

Photos were sent home today and I am sure you will agree that Amy-Lee has captured our children beautifully. She has the patience of a saint in her efforts to obtain picture perfection, which she achieved. Thank you Amy-Lee!

Your support in helping us be a small school doing big things is valued.

DANCE FESTIVAL INFORMATION

Our item is called the Tilba Farm Polka and children have been practising hard – or as hard as they can with our classroom out of action due to it being painted and various absences due to illness! All children have been involved in the choreography of our dance performance and costumes are well underway. Massive thanks to Linda for stepping in and helping out with our cow tails. xx

Here we are practising running in lanes for our athletics carnival.

We love our class photo on the special rock! Thanks Amy-Lee.
