## Final Assembly for Term 3

Congratulations to all students who received awards at our assembly on Monday. We were also treated to a teaser for James and the Giant Peach by the Najanuga class: "I'm a Little Seagull" as well as the Barranguba class band performing "You Can Count on Me".

K12 gave us a live presentation of the video they made for "Get Ready Weekend" too.

### Rehearsals

Our rehearsal at the Tilba Small Hall on Monday went very well and we were able to work on stage movement and sound. Lunch in the playground was fun too!

We had our new basketball rings installed this week. We have two at different heights for junior and senior students. They have been very popular and well used this week!

**Have a safe and relaxing term break and we look forward to seeing everyone back for James and the Giant Peach!**  
**Tania Hextell**

What an adventure we had in Sydney competing in the State KO Soccer Finals! We lost our first game to Iona. It was extremely close and an equal contest of skill and ability. We then played Blackwood, going into extra time with 2 goals each on the final whistle. With equal corner counts, it was declared that we shared 3<sup>rd</sup> place. Congratulations Team Tilba!

We will continue to add to our scrap books of the Queen next term.

Egg and Bacon rolls followed by delicious ice-cream sandwiches were on the menu this week.

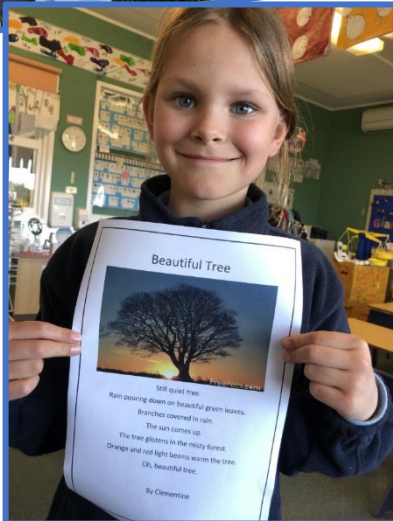

Nash also received his medal for Eurobodalla Athletics Runner-Up Senior Boy Champion.

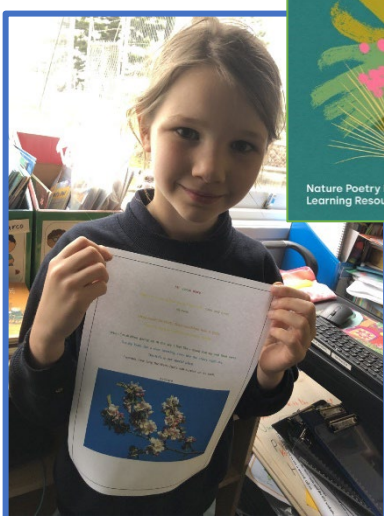

We were excited to find that our very special endangered Warty Zieria is not only flourishing but is covered in tiny white flowers.

We sat in the howling wind and wrote poems inspired by our natural surroundings. We entered some of them in a competition run by Red Room Poetry and the Australian Botanic Gardens. For every nature poem received, a tree is planted to create a 'poem forest' for future generations.

Year 2 proudly published their own poems in Word documents.

## Bluebells

By Lilah W

When the bluebells beautifully blossom  
The great green grass goes blue as the sky.  
After the bluebells have had their time, they turn white as clouds.  
They say goodbye to their special place.  
They float away like little white pompoms.  
I truly love the bluebell, floating away to start the life cycle again.
