### NAPLAN

Year 3 and Year 5 were excited to receive their National Assessment Program – Literacy And Numeracy results so they could take them home to share and discuss with their families. It is important to remember that these assessments were held in May and provide a snapshot of achievement at that point in time. This was the first year of transition into the online testing format. Well done!

### Congratulations Dali!

I was delighted to receive an email from the Eurobodalla Shire Mayor Mathew Hatcher announcing that Dali is a finalist in The Mayor's Writing Competition. Dali entered her poem "The Magic of Tilba" and is invited to morning tea with the Mayor on Monday 12<sup>th</sup> September. We had many entries from Tilba students, so it is very rewarding to have a finalist among us!

### School Dentist

We had an overwhelming response to the in-school dental visit by Dr Chang. The children were so excited for their turn in the chair and returned to classes giving detailed accounts of their respective procedures.

### James and The Giant Peach

Pending the results of the soccer game next week in Queanbeyan, and if we achieve placement at the state finals, we may have to postpone our performance to the first week in Term 4. We will advise families and put tickets up for sale as soon as we can confirm the performance dates. We apologise for the inconvenience, but trust that you understand our reasons for this delay.

### Perseverance

Athena, Ethan, Duke and Jack have demonstrated that they can stick at things and not give up when faced with obstacles and difficulties. Great work! Our next character strength is **wisdom** and being able to use your knowledge and past experiences to make good choices about what is true and right.

**LITTLE MISS WISE**

**Welcome to Spring at Central Tilba Public School!**

**Tania Hextell  
Principal**

Well  
done  
Banjo  
and  
Athena!

What, and who, on  
earth are these?

After reading *Father Sky and Mother Earth* by Oodgeroo Noonuccal we discussed her contemporary perspective of creation then we tried her pattern techniques.

On Monday, Eurobodalla Council organised for us to travel into Narooma School to watch the Tapstars performance. The main message was about saving water- of the world's water, only 3% is fresh water, and of that, only 1% is available to us as drinking water.

Each week we follow the Amazing People Schools program. Last week we learnt about Michelangelo and how his character strength of perseverance helped him as an artist. Then we tested our own perseverance and made fiddly toilet roll sharks.

Amidst loud complaints, we got a taste of what it must have been like for Michelangelo when he painted the ceiling of the Sistine Chapel !

# EVERY DAY COUNTS....

**A day here or there doesn't seem like much, but...**

When your child misses just...	that equals...	which is...	and therefore, from Kindy to Year 12, that is...	This means that the best your child can achieve is...
1 day each fortnight	20 days per year	4 weeks per year	Nearly 1 ½ a years of school	Equal to finishing Year 11
1 day a week	40 days per year	8 weeks per year	Over 2 ½ years of school	Equal to finishing Year 10
2 days a week	80 days per year	16 weeks per year	Over 5 years of learning	Equal to finishing Year 7
3 days a week	120 days per year	24 weeks per year	Nearly 8 years of learning	Equal to finishing Year 4

*Give your child every chance to succeed...*

**Every day counts!**
