## Term 2 Week 3

### Parent Teacher Interviews

With all the disruptions over the last 2 years, we feel that we would like to have the opportunity to connect with our parents to have authentic conversations about your children's learning. As a part of our School Improvement Plan, we are moving towards conducting Parent Teacher Interviews at the ends of Terms 1 and 3 and Student Reports in Terms 2 and 4.

This sequence provides communication every term. **Interview Booking Forms** are attached to this newsletter, and we encourage you to complete them and send them in as soon as possible to ensure that we can accommodate your availability. We have Face-to-Face options after school on **Tuesday 24<sup>th</sup> May** and **Wednesday 25<sup>th</sup> May**, as well as phone interview options on **Friday 27<sup>th</sup> May** during school hours. As always, we endeavour to be flexible in making ourselves available to suit your working needs.

### P&C AGM

Tilba School P&C are highly regarded in our local community and wider, for being active, effective, fun and for having a powerful voice. Please come along to the AGM here at school, on Tuesday 17<sup>th</sup> at 4:30pm. We need you!

### NAPLAN

Congratulations to Year 3 and Year 5! They have completed the writing assessment, which was online for Year 5 and on paper for Year 3. They have been very focused and attentive to doing their best and that is all we expect. NAPLAN will continue next week with the Reading, Language Conventions and Numeracy assessments. I will also have catch-up sessions for the students who have been absent.

### School Expectations Matrix

We have had some positive feedback from parents about our school expectations matrix which was sent home last week. Thank you for your support and reflection. We have worked collaboratively with our students to develop this explicit structure to support positive behaviour for learning. Congratulations **Lilah** and **Leonard** for demonstrating respect, care and safety when at school.

**Tania Hextell (Principal)**

**Amazing Person: Frida Kahlo**  
**Character Strength: Resilience**

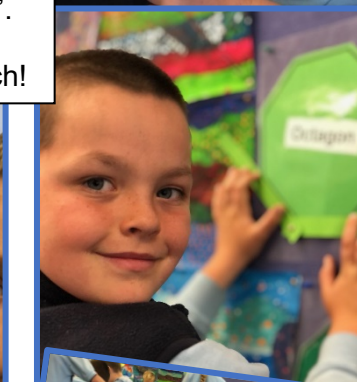

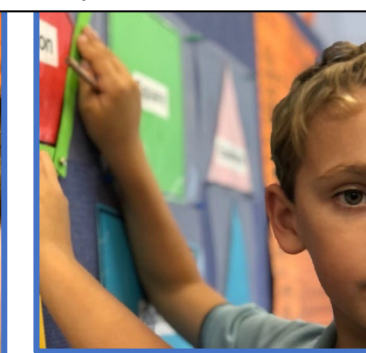

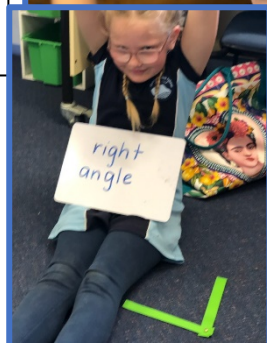

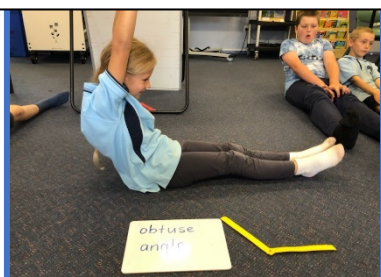

**Kandinsky** inspired art works using concentric circles and complementary colours.

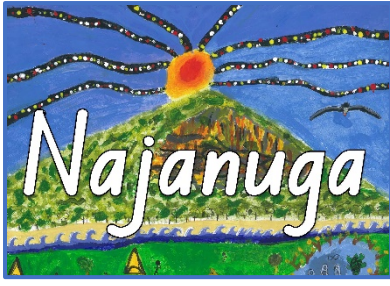

**Angle Finders!** Year 3 found angles larger than right angles in the classroom using "angle finders". We invented a new type of yoga called "**Angle Yoga.**" Obtuse angles hurt your abdominals- Ouch!

Year 4 have been learning about **equivalent fractions** this week. They had fun playing The Pizza Game.

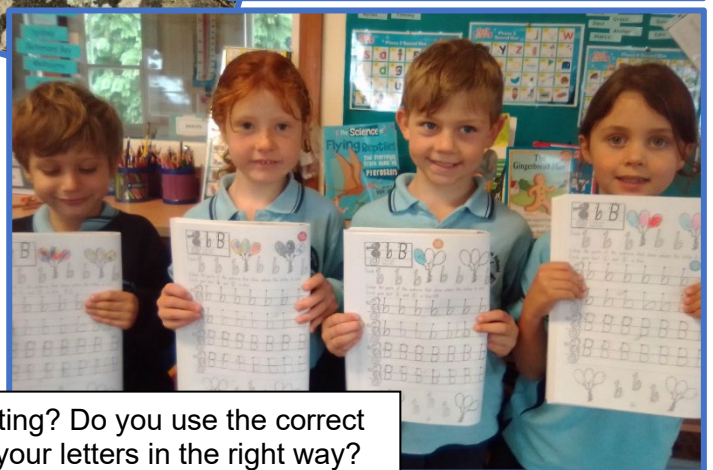

We had fun playing marbles with Miss Elton in History.

Year 2 used the fractions cards to learn about  $\frac{1}{2}$ s and  $\frac{1}{4}$ s and  $\frac{1}{3}$ s this week.

Baaaa ... these are our sheep. We made them using the seaside daisies.

How neat is your handwriting? Do you use the correct pencil grip? Do you form your letters in the right way?
