# Central Tilba PS Newsletter

**Term 2 Week 5**

**Congratulations to all award recipients at our assembly on Monday.**

Awards were given to acknowledge the many citizenship qualities and academic achievements of our students. Our students have a positive attitude towards their learning and are gaining a deeper understanding of how they learn and the character strengths they have which help them be the best learners they can be. Awesome efforts! The Najanuga class entertained us with their throwing and catching skills and drills- we were very impressed with the "Lilah Special"! They then dazzled us by dancing the Gallopede and then finished with a surprise addition to their repertoire- On Top of Spaghetti and everyone joined in!

## **Absences**

There has been a lot of illness in our community. Thank you for keeping your children at home while they are unwell and also for notifying the school of their absence.

**Please label all jumpers. We have many waiting for their owners.**

The theme for the 2024 Eurobodalla Shire Council Environmental Calendar is

Smart

Bank it or Mend it

Year 4 have submitted their entries for the **2024 Eurobodalla Shire Council Environmental calendar**. Stage 2 explored persuasive visual elements to include in their posters.

**Thank you Jack and Leroy!**

We have a Soccer Boot Pool at school so that everyone has soccer boots and shin guards for our soccer matches and training. They have outgrown their boots, so they brought them in for others.

Banjo, Marcus and Ethan check the images on the bird bath camera every Monday so we can upload them to iNaturalist for the Birds of a Feather program.

Year 3 investigated and created **symmetrical patterns** in maths.

### Quilba Ball Games Shield

We are training and refining our Captain Ball and Tunnel Ball skills for the first ever ball games competition against Quaama at our combined athletics carnival on the last day of term. We voted on Quilba as the combined name.

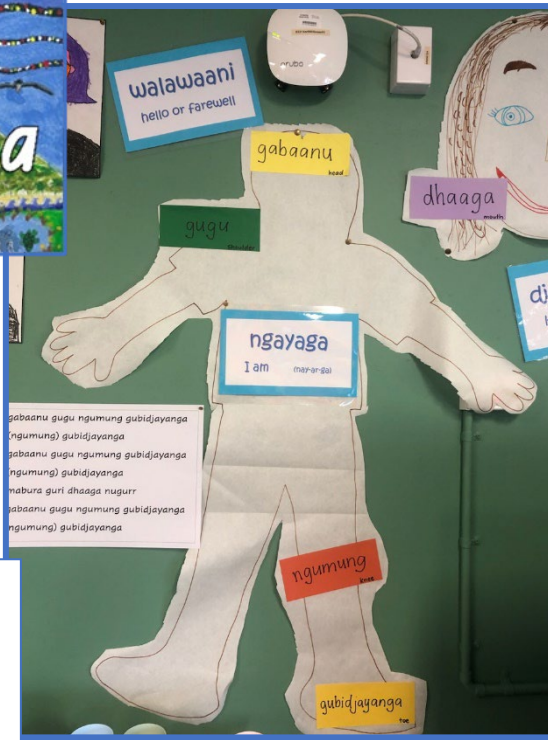

Everyone is busy writing or typing their speech onto palm cards and practising at home ready to bring to school next **Wednesday 7<sup>th</sup> June**

We have been learning the names of body parts, and singing Heads, Shoulders, Knees and Toes, in the Dhurga language.

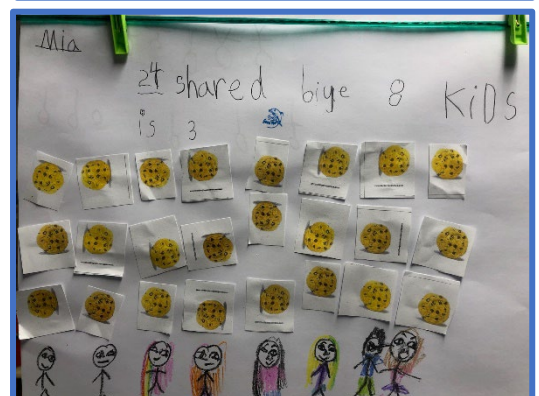

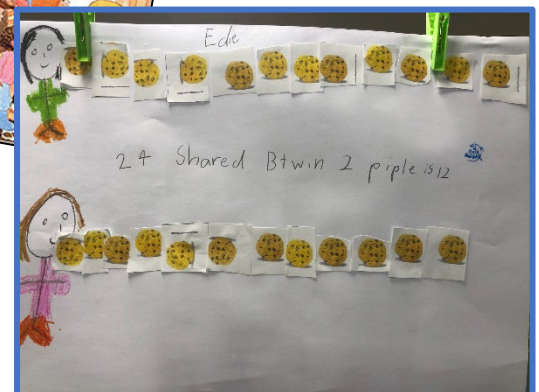

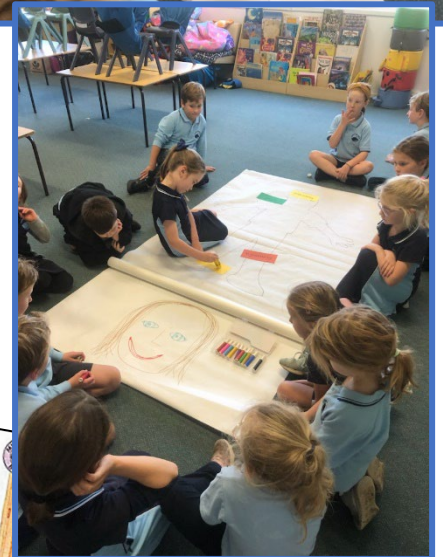

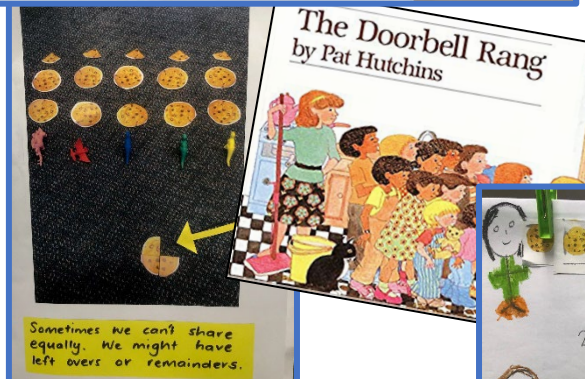

Can you make your writing more interesting by experimenting with the use of speech?

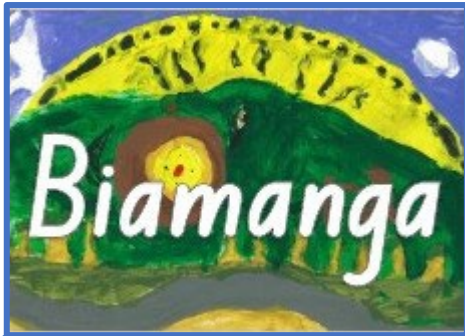

"No, you can't pass" said the Snowman evilly. (Ethan)  
 "P, p, p, please come in" said Silky scaredly. (Tommy)  
 "Please can we come past?" said Quinn happily. (Coby)  
 "Are you OK?" asked Coby politely. (Quinn)  
 "You could come in" suggested Silky quietly. (Jas)  
 "Let's dance together" said Silky happily. (Aella)  
 "Please can we pass?" said Beth timidly. (Heidi)  
 "Come in for tea" said the Saucepan Man happily. (Amelia)  
 "No you can't go past" said the Snowman rudely. (Bronte)  
 "You cannot pass" said Mr Watzisname rudely. (Jasper)

what did they say?  
 how did they say it?

We read The Doorbell Rang and learnt about sharing and division. Can you share 12 biscuits into 3 groups? Can you share 12 biscuits into 2 groups? We also learnt that sometimes you can't share equally and that you have left overs, or remainders.

## Library

Fantasy books continue to be in the spotlight this week with Rick Riordan's Percy Jackson series on display. The main character in this series is Percy Jackson, a 12-year-old boy who discovers his father is Poseidon, the Greek god of the sea.

Also on this week was the National Simultaneous Storytime event that promotes the value of reading and literacy. Each year, an Australian children's book is chosen to be read simultaneously in libraries, schools, pre-schools, childcare centres, homes and bookshops all over Australia. This year's chosen book is *The Speedy Sloth*, written by Rebecca Young, and illustrated by Heath McKenzie. The Najanuga students enjoyed the reading of this story and working on some fun activities based on the book.

## Technology

Wanda the echidna, from the Mighty Heroes, is here this week to bring you an important message about being RESPONSIBLE online. She wants to remind you to protect your personal information, use apps and games appropriate for your age and to look after the devices you use. You can find more information on the Australian Governments eSafety Commissioner Website <https://www.esafety.gov.au/>
