Flash backs from
Year 2, 2024

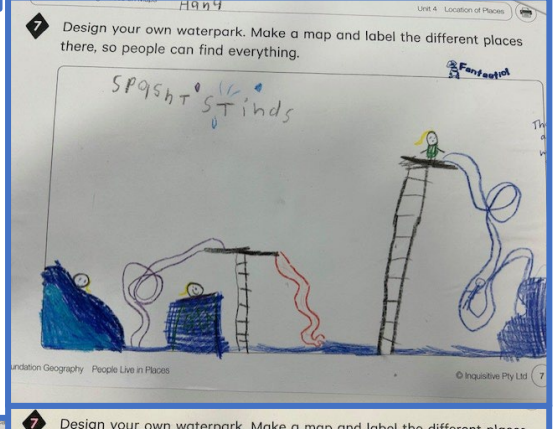

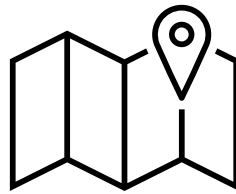

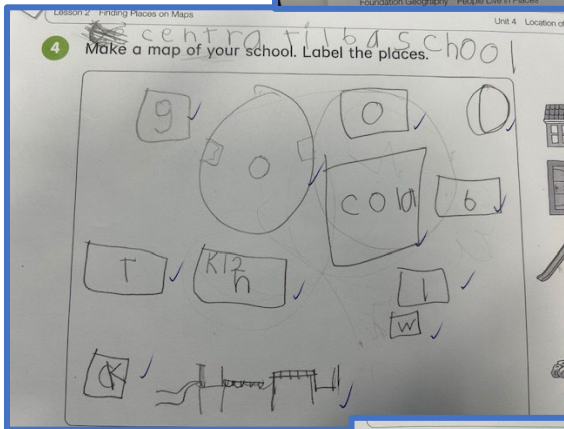

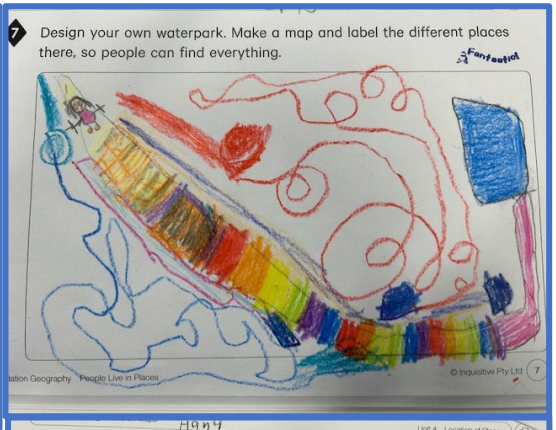

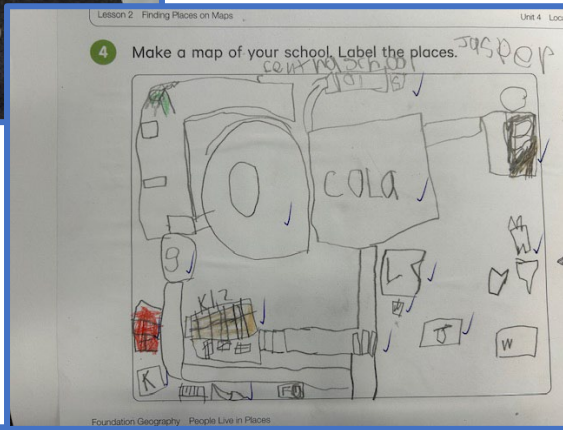

Good luck in the
big class Year Two.
We will miss you xx

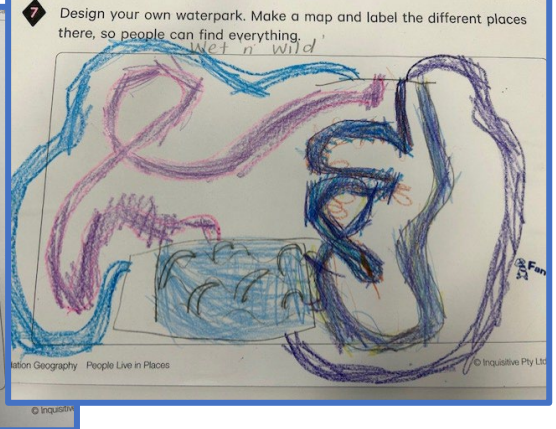

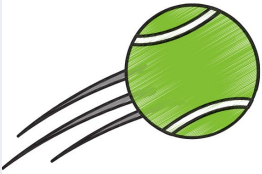

The Stage 3 students finished up their Blueback unit in literacy this week. The students always enjoy sharing their writing with the class. It is wonderful to hear the students' enthusiasm and expression as they read.

In Geography, the K12 students drew a map of the school. They also got to let their creativity run wild as they designed their own waterpark. Don't the waterpark designs look bright, colourful and so much fun?

Busting lunchbox myths!

Marketing and health claims can make choosing everyday foods very confusing.

Did you know that whilst a muesli bar contains healthy ingredients, the added sugar and fat make it a sometimes food?

Swap from muesli bars to sunflower or pumpkin seeds, roasted fava beans, wholegrain cereal bites, reduced fat yoghurt or fresh fruit.
